DISCUSS PRISON AT WINGDALE

Commission Considers Resuming Work
at Site Dix Disapproved

Albany, June 30.—The advisability of
resuming work on Wingdale prison in
Duchess county, in conformity with
the original plan of erecting there a
modern prison to take the place of
Sing Sing, was discussed recently by the
Jailers commission on new prisons.

Gov. Sulzer intimated that he favored
the resumption of work at Wingdale.
The cost of the prison was originally
estimated at \$2,000,000, but Gov. Dix
asserted that it could not be constructed
for less than \$3,500,000.

Marcus T. Him of Albany was elected
president of the commission today in
place of Simon W. Rosendale, resigned.
George T. McLoughlin, a Republican, was
made secretary.

Thomas Moffitt Osborne of Auburn to-
day was elected chairman of the com-
mission appointed by Gov. Sulzer to in-
vestigate the affairs of State prisons
and reformatories. George W. Kir-
chwey was elected vice-chairman and E.
Stagg Whitin secretary.

Mr. Osborne will go abroad to make
a study of prisons in England, France,
Germany, Hungary and Switzerland.

STATE COLORS FOR THE UTAH

Will be Presented to the Battleship
Today

Washington, June 30.—A stand of
colors of the State of Utah will be pre-
sented to the battleship Utah at New
York this week by representatives of that
State.

The colors will be presented this week
on the quarterdeck of the Utah, Capt.
W. S. Benson receiving them. All the
Utah people in and around New York
have been invited to the ceremony. The
State colors have been promised to the
battleship since the presentation of the
silver service and national colors on Nov-
ember 6, 1911. They are elaborately
embroidered. Capt. Benson explained
State colors may not be flown from a
masted, but will be on display in the
cabin.

JEAN CHRISTOPHE WINS GRAND PRIX

Paris, France, June 30.—The grand prize
de literature has been awarded by the
French Academy to Romain Rolland's
great work "Jean Christophe." The first
volumes of the 10 which comprise the
work deal with the life of Beethoven as
a young man, and the remaining volumes
with the culture and genius of France as
viewed by the author.

AN ODD LINE-UP

The game opened with Molasses at
the stick and Smallpox catching Ogar
was in the box with plenty of smoke.
Horn was on first base and Fiddle on
second, backed by Corn in the field, he
made it hot for Umpire Apple, who was
rotten. Axe came to bat and chopped.
Cigar let Brick walk and Sawdust filled
the bases. Song made a hit and twenty
made a score. Cigar went out and Bal-
loon started to pitch, but went straight
up; then Cherry tried it, but was wild.
Old Ike kept cool in the game until he
was hit by a pitched ball, and then

you ought to have heard Ice Cream. Cab-
bage had a good head and kept quiet.
Grass covered lots of ground, and the
crowd cheered when Spider caught the
fly. Bread loafed on third and pumped
Organ, who played fast and put Light
out.

In the fifth inning Wind began to
blow about what he could do. Ham-
mer began to knock, and Trees began to
leave. The way they roasted Peanuts
was a fright. Knife was put out for cut-
ting first base. Lightning finished pitch-
ing the game and struck out six men.
In the ninth Apple told Fiddle to take his
base, and then Song made another hit.
Trombone made a slide and was put
out on the plate.

There was lots of betting on the game,
but Soap cleaned up. The score was one
to nothing. Door said that if he had
pitched he would have shut them out.

SOUTH ATLANTIC TENNIS TOURNAMENT

Augusta, Ga., June 30.—Play in the
sixteenth annual tour named for the lawn
tennis championships of the South At-
lantic States began today on the course
of the Country Club of Augusta. The
titles will be decided in men's singles
and men's doubles; ladies' singles and
mixed doubles. The programme also pro-
vides a consolation event in men's singles.
Among the entrants are some well-
known experts, whose high standard
of play gives promise of good competition.

BIG CELEBRATION AT LANIGAN, JULY 1

Lanigan, Sask., June 30.—Lanigan
holds its annual celebration on July 1st,
and this year promises to be one of the
best celebrations held in this busy burg
in the past few years. The day's pro-
gram includes baseball and football tour-
naments, athletic events and the follow-
ing fine race program: Free-for-all, purse
\$250, 2:40 pace, 2:35 trot, purse \$200;
open running race, purse \$57; matinee
race, lat, gold stop watch; 2nd, silver
stop watch.

CANORA CAPTURED THE SOCCER CHAMPIONSHIP

Canora, Sask., June 30.—In one of
the best football matches ever witnessed in
northeastern Saskatchewan, Canora de-
feated Yorkton in the district champion-
ship match.
The Yorkton team, accompanied by
about 200 supporters, came over in a
special train. In the first half, York-
ton had the wind in their favor, but
no score resulted. In the second half,
Canora scored two, Lewis tallying with
a beautiful rush by Garrie and Mac-
Millan, putting the final counter by a
long shot. The combination of the Can-
ora team was the feature of the game.
This game gives Canora the champion-
ship of northeastern Saskatchewan, as
Yorkton defeated Melville, last week.

AUSTRALIANS WILL PLAY AT YORKTON

Yorkton, Sask., June 30.—The Aus-
tralian cricket team will visit Yorkton
on September 8 and 9, and will play York-
ton and district. Strenuous efforts have
been made to secure the Australians for
Yorkton and great satisfaction is felt in
sporting circles at the successful result
of the negotiations. The guarantee was
quickly provided.

THE LID ON IN NEW ORLEANS

New Orleans, June 30.—Governor Hall
sealed the fate of the twenty round fight
scheduled between Jack Britton and Char-
les White at the West Side Athletic Club
on July 4th.

"That affair has been advertised over
the country as a twenty round prize
fight," the Governor said. "It is nothing
more than a twenty round knock-down
and drag-out prize fight, and directly in
violation of law. It will not take place."
Promoters of the fight say that the bout
may be staged at ten rounds.

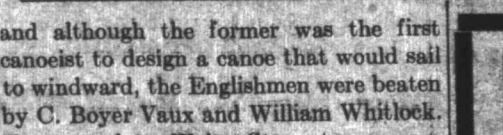

SHORT HISTORY OF SAILING CANOE TROPHY CONTESTS

Originated in 1885—English Canoeists
Challenged in 1885 and Canadians
Took up the Competition in 1890—
Archibald of Toronto Challenged

Followers of international sport are
turning their attention toward the canoe
race that is to be sailed between Canada
and the United States off the Marine and
Field Club on Graveland Bay. The con-
test will take place July 11 and 12, and
if necessary a third race will be sailed
July 14.

When the boats cross the starting
line it will be the first time in eighteen
years that there has been a race for the
 coveted trophy. Originally offered by the
New York Canoe Club in 1885, the In-
ternational Challenge Cup for sailing
canoes created plenty of fun for a period
of more than 10 years. The New York
Canoe Club has been its defender and
never has it lost a series.

Its history is as interesting as that of
America's Cup events. In 1885 the Royal
Canoe Club of London sent over Walter
Baden-Powell and Walter Stewart

Haverford, and an innings and a half were
completed before stumps were drawn for
the day. The local players were all
out for 115 runs in the first innings, while
the Australians made only 105. In the
second innings the Philadelphians were
all out for 57 runs. The match will be
concluded tomorrow, when the Australi-
ans take their second innings. Pearce
for Philadelphia, and Mailey of the Aus-
tralians were the most effective of the
bowlers, each being credited with 7 wick-
ets in the open innings.

It was decided tonight to begin an-
other match between the same players
immediately upon the conclusion of their
present match.

CANADA LAST IN KING EDWARD VII CUP COMPETITION

London, June 30.—Canada was last
in the King Edward VII gold cup com-
petition for riding and jumping at the
International Horse show at Olympia,
losing 43 points for faults. There were
seven contestants. Russia secured first
place, with France and England second
and third, respectively.

YOUNG TREES FOR CAMBERWELL

London, June 30.—In spite of the
efforts of the mayor of Camberwell to save
the 300 trees which gave such welcome
shade to the Camberwell new road, it has
been decided by the Camberwell borough
council that, owing the increase of traffic
along the road, the old trees must go. The
council have, however, instructed the
works committee to plant young trees in
place of the old.

MINUTES OF COUNCIL OF WHEATLAND MUNICIPALITY

Minutes of council meeting held at
Wheatland, June 24, 1913, the revere and
all members of the council being present.
The minutes of the previous meeting
were read and confirmed. Correspondence
was read from the solicitor re lots in
Wheatland; from G. H. Clark re books
on noxious weeds in Canada; from the
secretary treasurer of Rivers town re
purchase of road across S.E. 1/4 24-12-21;
from A. E. Philp re taxes on lands for
1912. The trustees of Harrow and Rob-
linville school districts petitioned the coun-
cil re consolidating Harrow, Roblinville,
Powerville, Mount Vernon, and part of
Inamis school districts.

Two deputations, one from Tp. 11, Rge.
20, and the other from Tp. 11, Rge. 22,
came before the council to make a com-
plaint regarding the state of the roads in
their immediate neighborhood.

A committee of the whole council was
appointed to visit the roads in 11-20 com-
plained of, and Councillors Chapman,
Goring, with the revere, were instructed to
look into the matter in 11-22. The secre-
tary treasurer was instructed to write
Mr. A. E. Philp that the council were
unable to comply with his request re
road work and discounts.

The council appointed Mr. U. A. Walker
of Carnegie as arbitrator in the matter
of the consolidation of school districts
asked for.

The by-law for the licensing of livery
stables was laid over until the next meet-
ing of the council, the revere to see the
solicitor re clause covering draying, etc.
The regular meeting of the council,
which was set for July 22nd, was postponed
to July 29th, so as not to conflict with
the Dominion fair at Brandon, and the
secretary treasurer was instructed to have
notice of the change advertised in the
Rivers Gazette and in the local postoffices
in Daly.

Councillor McDonald was appointed to
represent the municipality at the fair in
Brandon in July next. Considerable
sums were paid out for road work, espe-
cially in ward one, where the total amount
expended amounted to about \$500—
ward two, \$169.65; ward three, \$200.00;
ward four, \$16.00; ward five, \$290.00;
ward six, \$413.80; wolf bounty, \$32.00;
salaries, \$187.50; printing auditor's reports
and voters lists, \$88.00; to hospital for
account of Everett Cameron, \$11.00; legal
expense, for drawing deeds, etc., \$15.00.

The council desires it to be known that
a copy of the auditor's report can be re-
quired by applying to either of the coun-
cillors, the revere or the secretary treasurer.

MALCOLM VICTOR IN HANLEY CONTEST

Hanley, Sask., June 30.—The provin-
cial by-election held in this constitu-
ency today to elect a member to replace
Dr. J. W. McNeil, who was recently
appointed superintendent of the provin-
cial asylum for the insane at Battleford,
resulted in the election of a supporter
of the Scott government in the person
of McBeth Malcolm by a majority of
400.

The vote polled was somewhat smaller
than in the general election last year,
and this is accounted for by the heavy
state of the roads which deterred voters
having long distances to drive from going
to the polls.

The total vote polled today was 1,874
as compared with 1,874 recorded in
year, a falling off of 102. Despite the
smaller vote polled, the Liberal ma-
jority was increased, Mr. Malcolm's
majority being an even 400, as com-
pared with 396 secured by Dr. Mac-
Neil a year ago. The vote today stood,
Malcolm, Liberal, 1,081; T. J. Bjornadahl,
Conservative, 688. The vote last year
was: MacNeil, Liberal, 1,135; Hamilton,
Conservative, 730. In the 1912 election
the liberals obtained majorities in 25 out
of the 35 polling subdivisions, while today
they were given majorities in 17 out of the
35 polls.
