There is no remedy so safe and so effective for the diarrhœa of infants, and none has the endorsation of so many Canadian mothers who have proved its merits, and therefore speak with confidence. One of these is Mrs. Peter Jones, Warkworth, Ont., who says: "I can give Dr. Fowler's Extract of Wild Strawberry great praise, for it saved my baby's life. She was cutting her teeth and was taken with diarrhœa very bad. My sister advised me to get Dr. Fowler's Extract of Wild Strawberry. I got a bottle and it cured the Laby almost at once."

Lace is the reigning favorite of fashion. Never has it been more worn in all styles and qualities. From the most delicate antique handiwork to the cheapest of modern machine lace there is a place for every variety. Ancestral laces which have been laid away in lavender are now brought forth to enjoy new triumphs not less striking than those of former years. The products of Brussels, Alencon, Bruges, Valenciennes, the renaissance and other guipures, darkened by age, lend their glories to both simple and luxurious fabrics. They are draped around the coulders, arranged in cascades or in wath chaits or form tabliers, panels or
