COTTER WON THE KILTIES' RACE.

In the matter of speed the road race from Brantford to Hamilton yesterday, held under the auspices of the 91st Highlanders' Athletic Club for handsome prizes presented by the Spectator Company, was somewhat of a disappointment, being many minutes slower than the racing experts figured it would be done in. The distance was the recognized Marathon distance, a fraction over 26 miles, and the time made by the winner was 2 hours and 31 minutes. The winner was Eddie Cotter, formerly of Burlington, who ran in the colors of the Toronto West End Y. M. C. A. Club. Cook, of the 91st A. C., was second, seven minutes behind the winner, and Claude Peasro, of the Toronto Irish Canadians, finished third, and his stable companion, Harry Lawson, was fourth. The next two were Hamilton runners—Irvine Elliot, of the Mansion A. C., and Dennis Bennett, of the Army Medical Corps A. C. Denny Bennett led the field to the

SHERRING QUIT AT 17TH.

Montreal, May 25.—Abbie Wood raced home a winner in yesterday's full distance Marathon race at the M. A. A. grounds. The finish was of the most exciting nature, as Hans Holmer was pressing Wood closely, and was only beaten fifty yards.

There were thirteen starters in the long drive, but only six had the necessary endurance to finish. Sherring, who was regarded as the winner, found the pace too hot for him, and was forced to quit at the nineteenth mile. He was suffering from cramps and had pains in his stomach, and was really done at the end of the fifteenth mile. Up to the twelfth he ran a good race, but from then on he was outclassed.

For the first thirteen miles first place changed a score of times. Wood, and Cibot fighting desperately for the leadership. First one and then the other took the lead, and at times changed places two or three times a lap. After the thirteenth mile Wood left Cibot, and began to lap the entire field. For the first thirteen miles the order was Wood or Cibot first, or second, and Davis, the Hamilton-Indian, third, with Sherring, Holmer and Meadows in a bunch half a lap behind. At twelve and a half miles Wood lapped Sherring, and in the next mile lapped every man on the field. He and Holmer then took first and second place, with Cibot third and Meadows fourth. Davis quit at sixteen miles, after running well, but the early pace seemed too much for him to stand. Holmer began to draw away in the twenty-fourth mile, and for the last two miles the crowd were on their feet watching Holmer cut down Wood's lead. He was running a strong race, and seemed to have all kinds of reserve force, while Wood was very tired, and was practically all in. Both ran well, but Wood kept the lead, and just managed to win by fifty yards. Dineen, of Boston, Meadows, of Guelph, and the two French runners, Cibot and Orphee, finished in that order.

Dineen, who is a white-haired man of 48, ran a remarkable race. At first many of the runners passed him, and he looked to be outclassed, but he never worried. Along about the eighteenth mile he began to let out some of his reserve force, and centered around the field like a two-year-old. The laps he lost in the early stages were picked up in one, two, three or four laps, and he was in the lead in order, and the old man fought his way back to third place, only a couple of laps behind Wood and Holmer. Unfortunately at the close the crowd swarmed on the track, and in the confusion Dineen was told that he had completed his distance, when in reality he had another lap to go. He went in the clubhouse, and in this way third place went to Cibot, fourth to Orphee and fifth to Meadows.

The 26 miles 385 yards were done in 2:39, compared with 2:44:30 for the Don-ando-Hays race, 2:40:53 for the St. Yves-Shrub race, and 2:39:47 for the Toronto Marathon. When Holmer finished he cut across the field and ran a lap or two with Meadows to cheer up the latter. Times made:

LONGBOAT WON EASILY.

Toronto, May 25.—Tom Longboat had rather an easy time winning from Tom Coley in their 20-mile race at Hanlan's Point last night. About 2,000 people witnessed the race. The redskin succeeded in lapping his opponent four times, which is equivalent to about one mile. Coley went to the front at the crack of the pistol and set the pace for the opening mile. During the second mile they changed positions, and the Indian began to open up a gap. It was not until the ninth mile that the first lap was gained. Longboat kept right on, and in the fifteenth mile gained another lap. Coley had no speed and was laboring after the first few miles had been covered. Longboat gained the other two laps in the eighteenth and last miles. The time was 1:55.16.

KERR WON THE SPRINTS.

Ottawa, May 25.—The Queen City athletes carried off the bulk of the prizes at the spring championship of the C. M. A. A. held here yesterday, under the auspices of the University of Ottawa. Bobby Kerr won the sprints in hollow fashion, doing the 100 yards in 9.45 sec. This was the only instance in which the records were touched. Toronto won an inter-city relay race, defeating the Ottawa team by about thirty yards. Cal Bricker carried off the all-round championship, while J. Robson, of the Gordons Harriers, Montreal, won the 15-mile race. Frank Lukeman, the M. A. A. A. runner, was not allowed to compete, as the result of a hurried meeting of the C. M. A. A. representatives who were in town. It is alleged that Lukeman competed in a professional hockey match in Montreal last winter, and will be placed under the ban of the C. M. A. A. Summary:

London, May 25.—Sam Langford, the colored heavyweight, of Boston, knocked out Ian Hague, the heavyweight champion of England, in the fourth round at the National Sporting Club here last night. The fight, which was for a purse of \$9,000, was scheduled to go twenty rounds.

The ring generalship which he had put up in many battles enabled Langford to score a comparatively easy victory over Hague, and the fourth round had barely commenced when the burly Yorkshireman was felled by a well directed blow and counted out. Langford was at a disadvantage as regards weight, height and reach, but his superior knowledge of ring tactics and his quickness overcame this and what was expected to be a long contest proved to be a very brief one. In the first round Hague was slow to start. Langford had a shade the better of it until the end of the round, when Hague reached him with a hook to the jaw. This seemed to encourage the Britisher, and although no damage was

done in the second round he showed more cleverness than the colored man. Langford opened the third round with a hard left to the face and he used his left with effect several times before the gong sounded. Hague, however, closed the colored man's eye with a right swing. The men came together in a fast mix-up at the opening of the fourth and Langford put up a terrific right on the Yorkshireman's chin, which ended the contest.

A record crowd saw the fight and the American was a warm favorite, considerable money being bet at 2 to 1 and 5 to 2 on him to win. There was some dispute when the men came into the ring over the bandages on Hague's hands, but Langford's objections were speedily overcome, and the Yorkshireman was allowed to wear them. O'BRIEN WILL MEET KETCHEL. Philadelphia, May 25.—Jack O'Brien and Stanley Ketchel were matched last night for fight six rounds before the National Athletic Club, this city, on June 6th. The men agreed to weigh in at 160 pounds at noon on the day of the fight. Each fighter deposited a forfeit of \$1,000.

Yesterday's Scores in the Big Leagues.

A large crowd at the Maple Leaf Park witnessed the start and finish of the Chas. D. Jones thirteen mile handicap bicycle race yesterday afternoon. The course was once around the track, then along the Beach road to the canal and return, finishing at the track. The starters and handicaps were: M. D. Jones, scratch; T. Richardson, one minute; O. C. Green, two minutes; F. Cherrier, three minutes; F. Kleinberg, three and a half minutes; N. P. Gerrold, three minutes; O. Young, six minutes; M. Young, six minutes; M. Gerrold, seven minutes. When Kleinberg started some crowding on the track caused him to collide with two young women, and he was thrown off his wheel and his collar-bone was broken. He was looked upon as the winner, and the accident was a disappointment to a large number of his followers. M. Gerrold, who started first, kept the lead around the track and kept the lead until near the canal, when O. Young passed him. M. Young got round the turn first and got a lead of about two hundred yards and he kept the lead till near Dynes' hotel, when M. P. Gerrold, Cherrier and Green passed him and led until near Fitch's. Here Bruce Cornell was unfortunate enough to lose his chain. At the Jockey Club Jones passed Cherrier and then C. Green, but N. P. Gerrold reached the track first. He had the microphone to run into a man and Jones succeeded in passing him, with the rest of the riders close up. Jones crossed the line first and landed the race. The first five to finish it were M. D. Jones, Chas. Green, N. P. Gerrold, F. Cherrier and T. Richardson. Jones won the time prize, as well as first prize, by going the distance in 35 minutes.

RACING AT WOODBINE.

Hanbridge Made a New Record.

Stakes Run on Victoria Day.

Toronto, May 25.—Yesterday a tremendous crowd, which equaled in point of numbers that of the opening day, turned out at Woodbine. It was a gala occasion, and Secretary Fraser did his part by offering a splendid programme. Besides the rich Woodstock Plate, there were offered as attractions the Canada Victory stakes, the Scarborough steeplechase and the Queen's Hotel Cup. All four of the events furnished stirring contests, and one of the best day's sport ever witnessed at Woodbine was run off. The stake events were the Victoria, for two-year-olds, which was worth \$1,570 to Mr. J. W. May, the owner of Turf Star; the Woodstock Plate, in which Guy Fisher earned \$2,300 for the Idlebrook stable, and the Scarborough steeplechase, in which Pagan Bey, trained and ridden by Willie Wilson, credited his account with \$10. Four other races completed a most interesting day's sport. The track was fast, and one new record was made when Hanbridge set up 1:43.3 as the time for a mile and seventy yards in winning the Queen's Hotel Cup handicap. The former figure was 1:46, by Reidmoore. Public choices had a successful day, beginning with the victory of Red River, in the opening event, Red River, Elliott and C. W. Hurt were withdrawn from the first race, and Suderman was scratched because he was not reported in the paddock in time. There remained, though, a fine field of sprinters, but Reidmoore, the California Oaks winner, had the speed of the party. She soon showed in front under hard pressure, and was never headed. The Clyde stable's Tassel, the next best fancied, was not able to beat Bellehour for second money, though she got home in front of Mr. Seagram's Jubilee Juggins. The six furlongs were run in 1:13, the best time of the meeting. Following is the summary: First race, six furlongs—Rose Queen, 95 (Clark), 3 to 1, first; Bellehour, 110 (Henley), 4 to 1, second; Tassel, 95 (Hinchiff), 2 to 1, third. Time—1:13. Cumming, Hands Around, Lindhurst, Chief Hayes, Jubilee Juggins also ran. Second race, five furlongs—Turf Star, and Walsh made 16 and 13, respectively. WOODBINE NOTES.

Charles Bowman reports that his rider, Willie Keogh, is on his way from California to Toronto. William Garth has disposed of the contract he held on Jockey J. McIntyre to John E. Madden. Garth is making an effort to secure Scoville for the Woodbine meeting. Gettig arrived this morning and will ride for L. Thomas for the balance of the season. That Lord Minto has not forgotten his many pleasant visits to the Woodbine during his term as Governor-General of Canada was manifested yesterday in a cablegram received by Secretary Fraser. The message was sent from Simla, India, and was as follows: "Congratulations to Hendrie. Best wishes to old friends. Minto." Lord Minto was an enthusiastic admirer of Woodbine, and always took a particular keen interest in the King's Plate race. The Hon. J. S. Hendrie received the message with pride, and was heard to remark to the Governor-General: "It was thoughtful of the Viceroy of India to cable congratulations."

Yesterday's Games in the Inter-City League.

Brantford, May 25.—(Special). The West End ball team scored its second victory in the Inter-City League, defeating Veritys at Mohawk Park by 4-1. A large holiday crowd was present, and the game was well contested. Southern proved invincible in tight places, while the support behind Ralston was ragged in spots. Carey's three-bagger in the first innings sent Howard across the running. The West Ends excelled in base running. Veritys were minus Hawkshaw and Lockridge and the infield presented a patched up appearance: West Ends: A.B.R.H.O.A.E. A fair-sized crowd saw the St. Patrick's nine defeat the Good-Shedley-Muir team at Britannia Park yesterday afternoon—it was a good crowd, considering the strong counter attractions. The Brantford team was beaten by a score of 3 to 1. The visitors fielded the whole game in excellent style, but their hitting department proved to be a little weak. The hero of the day was Simpson, formerly of this city, but now the premier box artist for the Brantford combination. "Willie" fielded his position perfectly accepting a good many difficult chances. McGavin was in the box for St. Patrick's and kept his hits well scattered. He also fielded well. Cap McDonald made his initial bow to the Hamilton fans, and he was responsible for a couple of the runs in the first innings. He is a good hitter, and in the latter part of the game, biffed out a long one to right that looked good for three bases. Ritchie, the rightfielder for G. S. & M. must have anticipated the fly, for he played deep, and nailed it nicely. "Kid" Smith was in the left garden for St. Patrick's, and he pulled down a couple of dangerous ones that threatened to break up the score. Both teams played snappy ball, there being but a couple of errors in the whole game. Dick Beattie, for the St. Patrick's, showed up well at third. Beattie and McDonald scored in the first, on a nice single by McGavin, and

Torontos Were Badly Beaten Here Yesterday.

The Toronto Cricket Club played a friendly match here yesterday with the Hamilton XI. The visitors were defeated by three runs and eight wickets to spare. The wicket was sticky. Toronto went to bat first and were all out for 51 runs—small score for a strong team. Gillespie made a hot catch off Dean, and better one-handed off Sheather. Marshall got 3 wickets for 15 runs in the first innings. A. H. Gibson batted well for 36. The Hamilton others who got double figures were W. S. Marshall 17 and E. V. Wright 10. Hamilton St. George's Eleven Won at Brantford.

The St. George's Cricket Club, of this city, played at Brantford yesterday and won an interesting game from the team of that city by 8 wickets. Brantford batted first on a splendid wicket, but were all out for 40, the bowling of Back and Stewart being 100 much for them. The Saints put on 78, of which Harford made 26 by a fine exhibition of free hitting. Back got 14 and Stewart 3 for 14, while in the second inning the latter netted them 48, leaving the visitors to make only 10 runs to win, which was done for the loss of 2 wickets. Back took 7 wickets for 22 runs in the first inning and Stewart 3 for 14, while in the second inning the latter took 9 for 21. Wilkinson did best for Brantford, getting 4 for 12. He also batted well for 14 (not out). Deau
