HELP

Yourselves by making money for others. For thirty years these Troches have been in use, with annually increasing favor. They are not new and untried, but having been tested by wide and constant use for nearly an entire generation, they have attained well-merited rank among the few staple remedies of the age.

The "Brown's Bronchial Troches" are used directly on the organs of the voice. They have an extraordinary effect in all disorders of the Throat and Larynx, restoring a healthy tone when relaxed, either from cold or over-exertion of the voice, and produce a clear and distinct enunciation. Speakers and Singers find the Troches useful.

A Cough, Cold, Catarrh or Sore Throat requires immediate attention, as neglect oftentimes results in some incurable Lung Disease. "Brown's Bronchial Troches" will almost invariably give relief. Imitations are offered for sale, many of which are injurious. The genuine "Brown's Bronchial Troches" are sold only in boxes.

Also a large assortment of

SCOTCH WATERPROOF COATS

Heavy and Fine Rubber, etc.

Parties visiting the City will find me in

THOMAS LUCY
Fredericton, Sept. 1, 1880.—1st.

It always gives us pleasure to draw attention to articles which are deserving of public patronage. Probably no article ever offered to the public has met with the same success as GUY'S BROWN or RED SPICED GUM. Thousands of families in the Dominion keep it in their homes as the Standard Cough Remedy. The sale of this article has assumed enormous proportions. Our advice to the public at large is to try its virtues if they should at any time unfortunately contract either Cough or Colds. It is sold by all chemists,
