Rev. J. E. Davis Sinking Fast

(Baptist News in St. John Telegraph)
From a letter received from Rev. J. E. Davis, dated Tracadie, N. B., Feb. 24, and written by one of the Sisters, it is learned that the disease with which he is so sorely afflicted is making rapid progress and that the hour of his brother's deliverance is not far away. He became afflicted with erysipelas while serving as one of our missionaries in India and has been a devoted patient but pathetic sufferer for many years. His courage and faith have remained wonderfully unaffected through all his affliction.

Industrial Education to Come up

During their convention in Fredericton this month, the N. B. Federation of Labor interviewed the Provincial government. Among other things asked for was an act establishing a minimum wage for women and minors, one for more efficient plumbing inspection, for industrial education, for government control of detective bureaus relating to compulsory insurance by employers and making that illegal, concerning aid to returned soldiers, also asking that motormen and conductors should have four days of training before they took their jobs, fair wage scale on government work, the giving of government printing to union shops, amendment to the Workmen's Compensation Act, Minimum Wages for men, and a Bureau of Labor under control of a member of the Government. Re prohibition they demanded that the proposed measure be submitted to the vote of each electoral district separately. The Government said that Industrial Education would be taken up this session and they had some other matters mentioned by the delegation already under consideration.

Four Men Killed in Collision on I.C.R.

Two Double-Header Freight Trains Collide Head-on—Two Men Injured

The worst wreck which has occurred on the I. C. R. for three years past took place about 11 p. m., 21st inst., at Val Brilliant, Quebec, 69 miles west of Campbellton, where north-bound extra No. 131, pulled by two huge freight locomotives of the largest class, crashed into south-bound regular freight No. 874, also a double header, standing on the main line in front of the station, instantly killing three men and five horses, and injuring a fourth man so badly that he died at 7 o'clock Wednesday morning. Two other men were seriously injured.

No. 131 north-bound was in charge of Conductor Raymond, with Engineers W. Killam and H. Malsey and Fireman Felix Legouffe and G. McNeish.

The south-bound freight was in charge of Conductor T. S. Gagnon.

On 131 were several cars of horses, with several stockmen in charge.

In the crash, Fireman Legouffe and two stockmen were killed outright. Engineer W. Killam was severely burned and died of injuries at 7 o'clock Wednesday morning. Engineer H. Malsey and Fireman McNeish are seriously injured.

As the 874 was standing still at the time, her engine and train crews escaped, all the casualties being on extra 131.

All of the killed and injured men belong to Campbellton, as also the crews of No. 874.

As soon as news of the wreck flashed along the wires, wrecking crews were despatched from Campbellton and Riviere du Loup to the scene of the accident.

The accident was caused by a frozen switch, together with the air brakes on Driver Killam's train refusing to work as his heavily laden train was approaching to take the side track.

Engineer Malsey and Fireman McNeish were taken to the hospital at Campbellton.

Provincial Patriotic Meeting Tomorrow

REPLENISH YOUR BLOOD IN THE SPRING

Just now you are feeling "out of sorts"—not your usual self. Quite exhausted at times and cannot devote real energy to your work. Sleep does not rest you and you wake up feeling "all tired out." Perhaps rheumatism is flying through your muscles and joints, or maybe your skin is disfigured by rashes, boils or pimples. Headaches, twinges of neuralgia, fits of nervousness, irritability of temper and a disordered stomach often increase your discomfort in the spring.

The cause—winter has left its mark on you. These troubles are signs that your blood is poor and watery. That your nerves are exhausted. You must renew and enrich your blood at once and restore tone to your tired nerves, or there may be a complete breakdown. The most powerful remedy for these spring ailments to men, women and children is Dr. Williams' Pink Pills for Pale People, because these Pills cleanse bad blood and strengthen weak nerves.

Resumption of Republic in China

Yuan Gives up Idea of Being Emperor Because of the South's Objections

Peking, March 22—A state department mandate issued tonight announces the abandonment of the Monarchy and resumption of the Republic.

The mandate says the revolution shows that the demand for a monarchical form of government is not unanimous and that therefore Yuan Shi Kai rejects the emperorship and resumes the presidency.

The imperial documents, the mandate adds, will be returned by Yuan Shi Kai to the state council which will reconvene as the Senate, preparatory to the resumption of the republic.

Hsu Shih Chang, who left the cabinet because of the monarchical movement, signed the mandate as secretary of state, having re-entered the cabinet.

A message from Cheng Tu, capital of the Province of Sze Chuen, dated Feb. 27, said the people of that province were greatly opposed to President Yuan Shi-Kai, and favored the revolutionists who had taken up arms in Yunnan province. A rebellion broke out in Kwan Hsien, in Sze Chuen, and was suppressed. Disturbances were reported in Kwei chow province.

Third Canadian Division on Firing Line

The third Canadian division, most of which crossed to France two months ago, is now right up on the firing line. It consists of three infantry brigades, the 7th, 8th and 9th, and the usual subsidiary units.

The 7th brigade is made up of the Royal Canadian Regiment, the Princess Pats, the 42nd Battalion of Montreal, and the 49th of Edmonton. It is commanded by General Tuxford during the illness of General Macdonnell.

The 8th brigade is made up of the Canadian Mounted Rifles from different parts of the country, a mounted organization now in service as infantry. The commandant is General Victor Williams.

The 9th brigade comprises the 15th Battalion of Halifax, the 26th of St. John, 52nd of Port Arthur and 58th from the west.

FALL IN THE BAND

A British drummer boy was taken prisoner during the Peninsular war and brought before the great Napoleon, who, after looking into the manly face of the lad, said: "Beat me an English retreat." "Sir," replied the youthful warrior "British drummers know no retreats."

Did the Canadians hear any retreat on the firing line on the Western front during the stormy days a year ago? No, but these same boys trained under the strains of an efficient band whose instruments were provided by friends and relatives of these brave lads, "Held On" until the opposing guns were silent, the mists lifted, the deadly gases cleared, and again silence reigned along the line.

Will the friends and relatives of the boys of the 132nd Battalion for one moment think of allowing them to leave the north shore without a band to help them when the march is weary, to cheer when the "silver lining" is not so easily seen through the "dark cloud shins", and to lead them in singing, "Keep the home fires burning?"

Never, never, because offers of aid are already being made. Bandmen are signing up, schools, societies and individuals are falling into line.

Dalhousie Superior school will have a Tag Day and concert for the band fund. The young ladies of Chatham have arranged for a tag day. The Chatham I. O. D. E. will have an auction sale the proceeds of which will be divided between the band and other patriotic funds. The officers and men of the 132nd are raising funds for the same purpose.

Parties wishing "Tags" for a Tag Day can have same gratis by addressing Box 231 Chatham, N. B., stating an estimate number.
