We Do Not Believe

in running down our competitor's goods, but
WE DO BELIEVE
in showing up the advantages of our own.
When we introduced MICHELIN TYRES into Newfoundland two years ago, we had in mind the conditions of our roads. With this fact in view, we have no hesitation in saying that at present there is no Tyre on the market to beat the Michelin "Selnelle" Non-Skid.
MICHELIN TYRES
are intended for rough country roads as well as the best city streets, and with proper treatment are warranted to give satisfaction.
IMPORTANT!—Keep your Tyres properly inflated.
A. H. MURRAY, Agent.

SPRING

Satisfied, But Not Content!
We don't worry about getting ahead of any competitor. Our chief aim is to get ahead of ourselves—to do better this year in Style, Fit and Finish than we did last year; to tailor better clothes than we have ever done before.
We know the fate of the self-satisfied man, and with this knowledge we are not content to run a dead heat with our previous best.
OUR COMPLETE STOCK OF NEW SPRING GOODS will be ready for inspection Saturday, 15th inst.
Order early to avoid rush. Patterns and self-measuring cards sent to any address.
