Harold Bell Wright's Latest Novel,

**"WHEN A MAN'S A MAN,"**

is a fine big wholesome Novel of simple sweetness and virile strength, while the pages are crowded with the thrilling incidents that belong to the adventurous life of the unfenced land depicted, one feels, always, beneath the surface of the stirring scenes, the great primitive and enduring life forces that men and women of the story portray. In the Dean, Philip Acton, Patches, Little Billy, Curly Elson, Kitty Reid and Helen Manning, the author has created real living, breathing men and women, and we are made to feel and understand that there come to everyone those times when in spite of all, above all, and at any cost, a man must be a man.

Price \$1.50.

Just received at
