Four Main Things to be Remembered:

SAFETY—Every share we market is backed by a Bond, itself backed by a \$2,000,000 Company, that has Hundreds of Millions of Dollars behind it.

PERMANENCY—We do not offer investments that pay to-day and die to-morrow. That would be Business Insanity. Our Perfection offering, for instance, will be paying dividends just as long as rubber tires are used and longer.

GROWTH—From practically nothing to hundreds of acres of land and expensive plants fitted with costly machinery, employing hundreds of skilled workmen to build the one, and only ASBESTOS FABRIC TIRE, to all a waiting market—has been the visible growth of the Company. Its greatest growth is still ahead of it.

EARNING POWER—To-day ONE PER CENT MONTHLY DIVIDENDS are being paid. That will increase to TWO per cent., and then FIVE, and later TEN, and right up to TWENTY PER CENT MONTHLY as the years go by. All the other Tire Companies have done it under less favorable conditions, and what others have done, logically Perfection can do.
