TO THE Young Men of the Outports of Newfoundland!

On Soldiers' Day, April 12th, the people of St. John's proclaimed the spirit of the country towards the War. On the evening of that day the city spoke in a way no one who was present will ever forget. A new chapter is opened in the story of our Native Land. A new spirit is passing over its length and breadth.

It is more than a Recruiting Campaign that has been begun. It is a Crusade calling through the voice of conscience to each one of you who is free to go. You hear it and it will not be still. You will offer yourself. Whether accepted or rejected you will have peace of mind from the knowledge of duty done.

You can find it in no other way.

(Signed)

THE SOLDIERS and THE REJECTED MEN.
