White Down

"Pekoe" comes from a Chinese word meaning "white down." A Japanese word should also be used to describe Blue Bird Orange Pekoe—it's "gyokuro" meaning pearly dew.
 A cup made from the first infusion of young Blue Bird Leaves brewed in water brought to its first boil is as refreshing as a walk at dawn on a June day.

A PROMINENT AMERICAN MILLIONAIRE SAYS:
 "Early in my business career I made it a rigid rule to invest a third of my net yearly income in Life Insurance. Now, at age 55, and with an estate of a few million dollars, I can truthfully say that the third I invested each year in Life Insurance to-day constitutes the greater and best part of my estate."
 YOU need more Life Insurance NOW. Let us "fit" you with the proper kind of Policy.
