

Guelph Township Council.
Met on the 22nd pursuant to adjournment. James Laidlaw, Esq., Mayor, in the chair. Present: Messrs. Benham, Darby, Haver, and Sweetnam. The minutes of last meeting were read and confirmed. The Mayor stated he had called on the Solicitor relating to some items in account of \$47.66, and had received a satisfactory explanation, showing that the sum of \$32 of amount rendered was cash paid out by the firm for the redemption of Wm. Steele's property. The Mayor read a petition from Messrs. James Keough and Benjamin Budgeon in behalf of Johanna Lynch, an Irish old woman, who is in a manner destitute for both fuel and provisions. Referred to Resolvent Committee. The Tavern Inspectors were present and certified to the petitions of the tavern-keepers who have applied for certificates to obtain licenses from the issuer of licenses, that the applicants were provided with the accommodation required by the Provincial Statutes and By-laws of this municipality. The Mayor and Clerk were authorized to grant certificates to the applicants for licenses, who are A. W. Blyth, James Burns, David King, Jas. Keough and W. H. Mathews; the number of taverns being now reduced to five, instead of nine, as in former years. Special Notices.
EXHAUSTED VITALITY.—The "SCIENCE OF LIFE, OR SELF-PRESERVATION," a Medical Treatise on the Cause and Cure of Exhausted Vitality, Premature Decline in Man, Nervous and Physical Debility, Hypochondria, Impotency, Sterility, or Sterility, and all other diseases arising from the errors of youth or the indiscretions or excesses of mature years. This is indeed a book for every man. Thousands have been taught by this work the true way to health and happiness. It is the cheapest and best medical work ever published, and the only one of this class of its worth reading. 100th edition, revised and enlarged. Illustrated, Bound in beautiful French cloth. Price \$1. Sent by mail, post-paid, on receipt of price. Address P. O. Box 11, Guelph, Ont. STITTUTE, No. 4, Balfour Street, Boston, Mass., or Dr. W. H. PARKER, Assistant Physician, N. B.—The author may be consulted on the above as well as all diseases requiring skill and experience abroad.

BEECHER remarks that you often see a man with a little bullet head, having a vigorous stomach to drive his body and brain, accomplish more than the big-headed man who makes a small quantity of blood, and that poor thin. To enable mind and body to endure protracted mental and physical exertion, there must be perfect digestion and assimilation of food, and the formation of pure blood to vitalize the organs and tissues. Dr. Beecher's Compound Elixir of Phosphorus and Galls says perfect nutrition, and furnishes material for bone, muscle and nerve, to supply the want of vital force got on from overwork, dissipation, bad habits, and all prostrating diseases.

\$5 TO \$20 PER DAY. Agents wanted. All classes of working people, of either sex, young or old, make more money at work for us than at any other place, or at the time. Call at anything else. Particulars free. Address G. Stinson & Co., Portland, Maine.
