A Labor Leader Charged With ered the most successful need for some years. The joint installation last night Extorting Thousands Is Under Arrest.

New York, Aug. 17. - The most sensational incident in the great building trades lockout and strike, which has thrown nearly 25,000 workmen idleness, came today when Philip Weinseimer, president and organizer of the building trades alliance, was arrested, charged with extortion. When the labor leader was arraigned in court, he was confronted by George J. Essig, a plumber, who charged that on Dec. 3 last he paid Weinseimer \$1,000, so that work could be resumed on an apartment house on Riverside Drive, Weinse-imer's counsel appeared to be anxious to have the examination go on at ence Bell. To once, but upon the motion of District Caledon East. Attorney Jerome, it was put over un-til tomorrow, Weinseimer being released in \$1,500 bail. The specific complaint against Weinseimer charges him with extorting \$1,000. In the affidavit Essig states that in December last he had the contract for the plumbing in the Chatsworth building, Drive, that Weinseimer called a strike, and two days later said that for \$2,700 he would put the plumbers back to work. Essig said he could not pay the amount in full, but agreed to pay \$1,000 at the time. mer was arrested Essig had just signaled to the detectives that the la-bor leader had the marked bills in District Attorney Jerome, somewhat excited, pushed to the front and per-
