Taking

a Ski Jump at Banff NATURE has made Banff, Alb

NATURE has made Banff, Alber-ta, one of the finest summer and winter resorts in the world. Hereto-fore most of the visitors came in the summer. Within the last few years large numbers have been stracted in winter when sports carnivals have been held with great success. The season 1922-1928 is likely to make a new record in the popularity of Banff as a winter sports centra. Did you ever aki down a mile-long mid-silde in a pass in the Rocky Mountains? Did you wer swim in a bot supplus word with subsciences and batter the season of the sport of and states of the sport were swim in a bot supplus world with sport of and states of a sport work with the sport of a sport of the hot sulphur swimming pour ather mow from the sides to a companions? CHRISTMAS TRADE VERY GRATIFYING

Merchants tell of Records of former Years Smashed--All Say Business Was Exceptionally Good

The business of the . Christ-mas season just ended has make it bracing. From early morn-proved to be one of the best ever ing until eleven o'clock the stores experienced in Campbellton, While, as a general rule it started late, yet at the close it made up for this so that at closing time Saturday night many stores had broken all previous records, while others had surpassed the good 1920 sales. The exceeding cold days of the first of the week hampered trade, but very busy. Fortunately the stores and industries swelled this amount, so sh. Other smaller companies dustries swelled this amount, so very busy. Fortunately the storm and industries swelled this amount, so which raged in the southern part of that there seemed to be plenty of the province Friday night and Sat cash for all.

urday morning, blocking the roads and tying up railway traffic did not reach the north shore, so that a very heavy trade was done Saturday. The
