Marriage by the "ancient process of chas ing and capturing the bride is still in vogue in some parts of France. It is a noticeable fact, however, that there are very few lame Freuchmen.

"Why," asked a governess of her little charge, "do we pray to God to give us our daily bread? Why don't we ask for four or five days, or a week?" "Because we five days, or a week ?" "Because we want it fresh," replied the ingenuous child.

"An exchange announces, in a tone of sur-prise: "The Czar and Czarina have been dancing at a ball." There doesn't seem to be anything strange in such conduct. That is what balls are for. Now, if they had danced at a prayer meeting, comment would have been in order.

Catarrh of the Bladder.

and taken as read a second time. The mayor proposed that council form a committee of the whole to coasider the bill in its third reading. Ald. Baxter had an amendment to the by law, he said he had studied the matter closely and impartially; he had grave doubts as to whether the council would be acting constitutionally in passion the by: Stinging igritation, inflammation, all kid-ney and uring y complaints cured by "Bu-chupaibs." 41.

been made strong and healthy i. Lis-ten : "It is curing everybody," writes a druggist. "Kidney-Wort is the most popular medicine we sell." It should be by right, for no other medicine has such

From the Weekly (Toronto) Mail, Aug. 24. Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for catarrh. Out of two by the Dison treatment for catarrh. Out of two housand patients treated during the past six months fully ninety per cent have been cured of this stubborn malady. This is none the less start-ling when it is remembered that not five per cent of patients presenting themselves to the regular prac-titioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue, Mr. Dixon at once adapted his cure to their extermina-tion—this accomplished, he claims the catarrh is practically cured and the permanency is unques-tioned, are cures effected by bit at wo years ago are cures still. No one else has ever attempted to cure catarh in this manner, and no other treatment has ever cured catarrh. This application of the remedy is simple and cu be done at home, and the present season of the yea. is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should corres-pond with Mr. A. H. Dixon, 305 and 307 King street west, Toronto, Canada, and enclose stamp for hi reatise on ~tarrh

VIEZ INTERNATIONAL THRUAT AND 1 Institute is gaining an enviable reputation tres of C tarrhal Deafness, Bronchitts, Asthma and uption made daily by the diff rent surgeon ted with the staff. We have lately engage nected with the staff. We have lately engedine of services of five more eminent specialistato enable us to attend to our daily increasing number of patients all over Canada and the United States. Our great success is owing to the fact that our united and un divided attention is paid to the above diseases, and that we use cold inhalations, conveyed through th Spirometer, the wonderful invention of M. Souveille, of Paris, 5x-side Bargeon of the French Army, with proper constitutional treatment. Consulta-tions and a trial of the Spirometer free. Those un-able to come to the Institute, or see our surgeons, who visit all the principal towns and citize of Can-ada, can be successfully treated by writing enclosing treating to a copy of our International Mees, pub-lished monthly, which will give you full particulars and reference, which are genuine. Address 178 Church Street, Toronto, or 13 Phillips' Square, Montreal.

THE ELECTORS YORK. vincial Legislature, I venture to ask your support and your influence on my behalf. In doing so let me say shortly, that I am adverse to any policy injurious to the prosperity and welfare of the province, and in my opinion any action that is calculated to arouse and maintain hostile feelings between the Dominion and the Province cannot but perity for the Dominion and the Province cannot but perity for the Dominion and therefore for the Pro-vince can best be stained by harmonious action on the part of the two Governments. I deprecate the action of the D

e part of the two Governments. I deprecate the action of the Provincial Govern-ent in thrise carrying through the Legislature the reams Bill, solely for the purpose of creating and reping alive ill-feeling between the Dominion and le Province. I am adverse to the policy of the overnment in passing unnecessary setemated

perty of the people are taken from them without fair compensation. I am desartion. I am desartion of seeing the Boundary Award question settled at the earliest possible period, and this cannot be done if the Government is permitted to pursue its present policy. I am in favor of On-tario obtaining all the territory awarded and any more to which she is entitled. I desire that the Liquor Laws be made more effec-tive by taking the authority to grant licenses from a partizan License board and placing it in the hands of a non-political one.

partizan Leenne over a sono de la sono de la sono political one. I desire to see a more economical administration of the Provincial finances.

I wish to see the powers of the Municipal Councile

I what to see the powers of the Municipal Councils maintained unimpaired. I am in favor of a liberal extensior, of the franchise for I cannot see the justification of giving the right to vote to the sons of a particular class in the com-munity, and withholding is try in the sons of other cqually intelligent classes. Above all, I desire to \$re the Government of the selfsh interest of any Government party or clique. If successful in becoming your representative my soldeavor will be to serve the interests of my con-stituents, whether Comservatives or Reformers, and in the Legislature to supprise or Reformers, and in the Legislature to supprise of measures irre-Legislature to su port good mer e of the party introducing them

Soliciting your vote and influence, I am, yours resp JOHN BAIN. RAILWAY TICKETS. GENERAL TICKET AGENCY

is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am astisfied of the truth of this. On account of its proven merits, it is recommended sind prescribed by the best physicians in the country. One asys: "It works like a charm and saves much pain. It swill cure entirely the work form of failing

at her nome in Lynn, Mass. For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show. "Mrs. Pinkham's läver Fills," says one writer, "are the best in the world for the cure of Constitution, Billiounness and Torpidity of the liver. Her Blood
