RUPTURE

40 Days' Trial

For Comfort and Efficiency our NEW ERA TRUSS has no equal on this or any other continent, and we are prepared to test its merits against any other truss in the world. We are willing to apply this truss in competition with any other maker and wait for our pay until the merits of each truss have been fully tested, provided any other maker is willing to do the same with his truss.

SLASHING AT A LIVELY RATE Great Moving Sale at the Hand-in-Hand

Profits Go Up in Smoke. Values Vanish in Ashes. We've Got to Go, but our Clothing Must Go First.

We are NOT going out of the business, oh no, not by a long way, but we are compelled to move out of 184 Yonge-street. Before we were aware of the necessity of getting out of our present premises we purchased heavily for winter trade. We CAN'T take the goods with us, oh no! That's not the way we do business.

THEY MUST BE SOLD AND SOLD AT ONCE.

The first loss is the best. We will give you the advantage. Our loss is your gain. We have inaugurated a SALE that will submerge all competition. Everything goes. The assassin's knife will do the work on every table. Not a single garment but will be brought to the block and succumb to the force of reduction. Prices will be obliterated and profits pounded down without mercy. Every citizen in a radius of 100 miles of Toronto should grab at this change.

And when competitors will stand aghast, lookers will be transformed into buyers and buyers into the happy possessors of the greatest values ever before given under any auspices in any age, in any country under the sun. Whole newspapers would not be too large to enumerate the stupendous sacrifices we shall make in this sale.

DON'T ask questions. DON'T ponder. DON'T wait. Come straight to 184, for the Hand-in-Hand does always just as it advertises, and we assure everyone it will pay to invest even if they don't need the goods till another season. Balance of our entire stock of BOYS' and CHILDREN'S SUITS and OVERCOATS will be swept out at 1-2 to 1-2 reductions from regular prices. FOOLING THE PUBLIC IS PLAYED OUT. FIGURES tell the tale. Read every word of this advertisement carefully, it may be dollars in your pocket.

IT TAKES THE CAKE

See it on our sideboard. Let your wife have one (a sideboard) for Christmas, unless we have something in our stock which will delight her more. We've been raised ex- ceptionally for some time by our low prices, and this "current" week we are "sanded" enough to own that we make a profit even at the cut rates. Our cake is fruit cake, you see. It will last. You can find no furniture that is better or that will last longer. Remember we offer \$1 discount off any sideboard purchased from us on or before Dec. 31. Credits if desired.
