### TAMPERING WITH JURORS.

Government Detective Greer Working on an Alleged Case in Simcee County— The Crime to be Put Bown. Government Detective Greer is engaged on a case of alleged jury tampering at the last Barrie Assizes, It was through Mr. Isaiah Armstrong, who lives

the last Barrie Assizes. It was through Mr. Isaiah Armstrong, who lives near Orillia, and who was on the jury in question that the Attorney-General's Department became cognizant of the facts in the case. Near Barrie there resides a wealthy old bachelor named Ambler, who has a family named Stewart as neighbors. Ambler had in his possession last fall a promissory note for \$342 given by him by a Mr. Woolman. The note disappeared and turned up in the possession of Stewart, who claimed that he discounted it for Ambler. This Ambler denied, saying that he had never discounted a note in his life, and alleging that Stewart stole it. Stewart sued ambler and Woolman last assizes and got judgment. Ambler appealed and on Saturday last at Osgoode Hall, Mr. Justice Ferguson set aside the verdict and ordered a new trial. This decision was reached after hearing the affidavits made by Mr. Armstrong of Orillia and other jurors. After coming home from the assizes Mr. Armstrong said that a brother of Stewart had come to the hotel where the jury were stopping. He treated them and then it is said, invited Mr. Armstrong to take a walk. He refused, but another juror went with him, it is alleged, and the next day in the jury room it was claimed this juror won over eight men to find a verdict for Stewart. Affidavits of jurors and others were also filed, showing treating by Stewart and his brother, and discussion by them with the jurors.

The program to be given to-day on the Toronto Ferry Company's grounds at Hanlan's Point is a good one. At 3 o'clock this afternoon another of the series of the championship baseball matches will be played between the Crescents of this city and the Hamilton city club, and as the faciling of experience ways high her. city and the Hamilton city club, and as the feeling of opposition runs high be-tween these two clubs a warm and excit-ing game may be looked for. It will be remembered that the Crescents and the Maple Leafs of Guelph, in their late game a few days since on these grounds, gave the best exhibition of the science of baseball that has been seen in Toron-to this year. To night at 8.30 o'clock to this year. To-night at 8.30 o'clock the fourth meeting of the Toronto Ferry Bicycle Association will take place, for which a number of the best wheelmen in Canada have entered. These sports, com-bined with the Roof Garden and the fine hand of the Highlandars both afterneon band of the Highlanders, both afternoon and evening, should furnish for all visi-tors a varied and pleasing day's amuse-

Entertained the Orphan

Mr. J. Curtis, a resident of Philadelphia, and formerly of Toronto, pays a yearly visit to this city.
