Volume XLII—No. 20 WATFORD, ONT., FRIDAY, MAY 19, 1916

## LOCAL HAPPENINGS

**THE GUIDE-ADVOCATE** welcomes all items of interest for publication. Call Phone 11, send by mail or drop item in GUIDE-ADVOCATE Letter Box.

**BOY'S school caps 20 cents.**—SWIFT'S.  
**NEXT Wednesday** is Victoria Day and a public holiday.

**WASHED wool** is now bringing ten cents a pound more than last year.

**FIFTEEN thousand Canadian troops** are now in England. Another theater in the Navy's cap.

**It appears they have cut the soldiers' rations in Germany.** This is the soldiers' cap at home, as it were.

**CORRECT millinery** for May 24th.—A. BROWN & CO.

**THERE are about 500 Canadian soldiers** on the casualty list reported as "missing" of whom no record has been secured.

**SPRING horse shows** seem to have lost favor. The attendance, also the number of horses shown has been very small this year.

**GERMAN papers** are harping on the food troubles in the Fatherland. Harps and Germans strike us as the height of incongruity.

**FOR an intelligent anticipation of events,** the case of the Irish rebels who had themselves in coffins will take a lot of beating.

**THERE are plenty of female munition workers** now, but there were female matchmakers thousands of years before matches were invented.

**BIG RUSH** in our wash dress goods largest stock west of London.—SWIFT'S.

**"SAVE your waste paper and rags"** is the advice and warning of the department of trade and commerce at Ottawa to the public of Canada.

**"TORONTO the good"** refuses to pay the provincial war tax. There is a good deal of lip loyalty in that grasp-all city and so long as the funds are coming their way all is lovely.

**AN English farmer** told a military service tribunal that his experience with women workers on his farm had been very fortunate. One woman whom he set plowing arrived on the field with a parasol and cushion.

**OWING to the illness** of Rev. R. Stevenson, union Presbyterian Congregational services were held last Sunday by the Rev. J. C. Foster, in the morning in his own church and in the evening in the Congregational church.

**CARPET rugs, roller blinds, linoleums, oil cloths.**—SWIFT'S.

**CORRESPONDENTS** should not send in items of future meetings or concerts of any kind whatsoever, without they are prepared to pay the charge of five cents per line. All such notices bear the charge.

**A trade commission** of six members of the house of commons will visit Europe with a view to development of Canadian commerce. Mr. Jos. E. Armstrong, member for East Lambton will be one of the commission.

**H. W. BODMAN,** who has been inspector for the Sterling Bank for several years, has been appointed manager of the Montreal branch and superintendent of the eastern agencies. Mr. Bodman's Watford friends congratulate him on his promotion.

**THE German military authorities,** who have just banned the wide skirt, now announce that waste of leather in high boots for women must also cease. The Canadian ladies will continue to wear the high boots to prove to the Germans that we are not hard up here.

**NEW KING HATS** and 20th century suits for the 24th.—A. BROWN & CO.

**CLEAN up, grow something in the vegetable line** instead of allowing the weeds to grow in vacant places. Add to the beauty of the village by keeping your lawn trim and neat, and add flowers where it is possible. The town clean and beautiful should be the motto, not only of the majority, but of all citizens.

**THERE is a deficit** in the Post Office Department, because the expenditure has gone up year by year, but we cannot have parcel post and rural mail delivery for nothing. The beneficiaries will not object, and those living in cities and towns who had daily mail service for years will not object to these few advantages being spread out to cover rural districts.

**IT is not too late** to have a nice vegetable garden this summer. Don't you remember saying that last summer when you looked over the back fence and saw your neighbor's fine array of vegetables and flowers? Well, there is no time like the present to get after that garden and make it a success. It will cost very little, but the results will be highly gratifying and encouraging.

**W. P. McDONALD,** the new agricultural representative for Lambton, has taken up his duties at Petrolia. He succeeds G. G. Bramhill, who proved an experienced and popular officer and made many friends while fulfilling the duties of the office. Mr. McDonald is a native of Sunnydale township, Simcoe county and is quite at home in such level farm lands as old Lambton. Before taking his course at the O. A. C. he managed a farm for 8 years and has since spent two seasons in scientific agricultural work in Sault Ste. Marie.

**CHILLY weather** for May. **THREE** will be no picture show this week.

**DOMINION Parliament** prorogued on Thursday.

**MEN'S gun metal button shoes,** \$3.50.—P. DODDS & SON.

**FARMERS are feeling** pretty glum over the continued wet weather.

**LADIES' rain coats—very special values** at \$3.00, \$3.50 and \$7.00.—A. BROWN & CO.

**JESSIE MACLACHLAN,** the world-known Scottish songstress, died in Scotland this week.

**CANADA'S egg crop** for 1915 was valued at thirty-two million dollars, over twice the value of the fruit crop.

**A NUMBER of new shapes in straws and panamas** just received for Friday and Saturday at MISS WILLIAMS'.

**MONDAY'S casualty list** contains the name of Sapper Donald Angus Sutherland, of Forest, as wounded.

**OWING to unfavorable weather** for training, the Sarnia Driving Association will not put on the usual 24th of May races.

**MAXWELL cars** are up-to-date in every respect. They hold the record for non-stop runs. On exhibition at D. A. Maxwell's show rooms.

**SPECIAL sale of girls coats, large sizes \$3.50.**—SWIFT'S.

**A COMPANY, Lambtons 149** played football here with the Watford company on Tuesday. The game was a good one, but the grounds heavy on account of rain.

**MR. AND MRS. C. W. LUCAS,** Arkona, announce the engagement of their daughter, Madeline Gertrude, to Lieut. W. A. Williams of the 149th battalion. The marriage will take place in June.

**RUSSEL WILLIAM STAPLEFORD,** brother of Capt. R. H. Stapleford, leaves this week for England. He is attached to the Saskatchewan Hospital Unit. He was previously chief accountant for the United Car Co., of Regina. Mrs. Stapleford will spend the summer with her brother, Dr. M. C. Taylor, Shorncliffe.

**OWING to the illness** of Rev. R. Stevenson a union service for the Congregational and Baptist congregations will be held in the Congregational church on Sunday evening next, when the Rev. Geo. W. Conners will preach. His subject will be "The Perfect Gospel," or "The Seven Cardinal Characteristics of Christ's Gospel."

**LADIES' SUITS 14 only—Specially priced—size 34 to 38, \$7.50 to \$10.00.**—SWIFT'S.

**HORSEMEN** are reminded of the following, which is sub-section 3 of section 11 of the Ontario Stallion Enrollment Act: "Where no papers are used to advertise a stallion, the owner of the stallion shall exhibit to the owner of each mare, at the time of service, if demanded, the original enrollment certificate issued for such stallion. The penalty is not more than \$100 nor less than \$25."

**THERE are a large number** of Americans in the 149th Lambton Battalion and it has been decided by the military authorities to gather them into a special platoon with headquarters at Forest, and each them to "D" Company, which is stationed there. The boys suggested the idea to the military authorities and are well pleased at the thought that they will be together. Already there is a list of 25 secured who are ready to start the platoon.

**SEE our window of dress muslins 12½ and 15 cents.**—SWIFT'S.

**THE Acton Free Press** says:—"Last week Mr. Fred McLean, manager of the Merchants Bank, received notice of transfer to the management of the branch at Watford. This change was as unwelcome as it was sudden. Mr. McLean has been associated with the bank here for eight years. He came as a teller and was promoted four or five years ago, upon the removal of Mr. W. S. Chisholm to Gore Bay, to the position of manager. His management of the affairs of the bank here has been very satisfactory to its patrons and he has made many warm friends. The best wishes of all follow him to his new field."

**Now that power** has been given to municipalities by the Legislature it is to be hoped that the Watford council will take into consideration the raising of the poll tax on all unmarried men who are not ratepayers. Municipalities can now make this tax \$5 a year and this plan is being adopted by many towns and villages in the province. In view of the fact that ratepayers are required to pay an additional tax of one mill imposed by the Legislature and are also put to other heavy expenditure in paying taxes, etc., the men who have no responsibilities should also be required to pay. They are permitted to use the sidewalks, pavements and are given other privileges for which they do not now pay anything. The young men of Watford are fully able to pay their share.

**THE REV. R. STEVENSON,** pastor of the Watford Congregational church, met with an unfortunate and painful accident on Friday last. While returning to Wyoming, about 6 o'clock after holding preparatory services in the South Plympton Presbyterian Church, the pastor, Rev. J. A. Ross, and Rev. Stevenson, were thrown out of the buggy by the horse becoming unmanageable in passing a motor cycle which was in the distance east of Reece's Corner. The buggy shaft was broken and the animal began to kick,

when the occupants were thrown out, and it is supposed that the wheel struck Rev. Stevenson on the head. He was removed to the near-by residence of William O'Brien and medical aid summoned. Rev. Ross escaped with a few bruises, but Rev. Stevenson remained unconscious during most of the night, but had recovered consciousness, Saturday morning and was brought here by Mr. John Hall and is now slowly recovering from the accident. Both gentlemen got a severe shaking up but no serious consequences are anticipated.

**OUR lace curtains** sale at 90c, \$1.19, \$1.50 and \$1.65.—SWIFT'S.

**Accounts Contracted by Lambtons 149**

There seems to be some misunderstanding as to what accounts are required to be sent in to Capt. Stapleford, Watford. The following information is given to the general public:

1 Accounts contracted by officers and men before, or after enlistment, cannot be considered by the regiment. This is a personal matter between parties concerned and must be treated in this matter.

2 Board accounts of men since enlistment are paid by Regimental Paymaster Capt. Smyth. These accounts must not be sent in to Capt. Stapleford, Watford.

3 Doctors who have not rendered accounts monthly are requested to do so immediately, according to Regulation Schedule. This refers only to Medical men who are officially appointed as doctors, for Detachments of Lambtons 149. No other Medical accounts will be considered unless special authorization was received from Headquarters before the account was contracted. These accounts are to be sent to Capt. Stapleford, Watford.

4 Official accounts contracted in the interests of any detachment, or the regiment are payable out of funds granted to the regiment by the County, Municipalities and private parties. Any such accounts are to be mailed to Capt. Stapleford, Watford. There may at times be some delay in payment of Regimental accounts, this is due to the fact that the money used for payment is not always available. All correct Regimental accounts will be paid before the Battalion leaves. All accounts must be made out in triplicate.

**CAPT. STAPLEFORD,** Lambtons 149.

**Letter of Thanks to Tecumseh Chapter I. O. D. E.**

Dear Mrs. Mitchell:—I beg to acknowledge receipt of your Chapter's kind gift of the barrel of fruit and pickles which arrived at the hospital on Tuesday. A pretty wedding took place at one o'clock on Wednesday, May 10th, at the home of Mr. and Mrs. Robert Bowie of Metcalfe, when their only daughter, Anna B., was united in marriage to Wm. Woods, son of Mr. and Mrs. Gilbert Woods of Brooke. Only immediate relatives and friends of the contracting parties witnessed the ceremony, which was performed by Rev. K. M. Eason of the Presbyterian church, Napier. To the strains of Lohengrin's Bridal Chorus, played by Miss Bertha King, cousin of the groom, the bride entered the parlor on the arm of her father who gave her away, and stood under an arch of evergreens, white streamers, and a large wedding bell. The parlor was prettily decorated with ferns, sweet peas, roses and carnations. The bride was nicely gowned in ivory crystal cloth, and shadow lace, caught with bands of satin and tiny rosettes and a silk net veil caught with orange blossoms. She carried a bouquet of cream roses, carnations and ferns and wore the groom's gift, a lavalier set with a diamond and pearls. The couple were united with the signing of the register, Mr. Russell Woods, brother of the groom, sang very sweetly "Some Day." After congratulations the guests passed into the dining room which was decorated in red, white and blue and flags of the allies and sat down to the table tastefully decorated with roses and a wreath of carnations and ferns, and partook of a dainty wedding dinner served by three cousins of the bride. The groom's gift to the pianist was a gold wrist watch and to the soloist a gold tie pin. The bride was the recipient of many costly gifts among which was a check from her father. The couple left Warwick for London, Toronto, Streetsville and points east on a short honeymoon. The bride travels in a tailored sand gabardine suit and hat to match with a large white plume.

The Women's Patriotic League had a splendid meeting at the home of Mrs. Robert McKenzie on Wednesday last. Thirty ladies were busily employed making mattress covers, flannel shirts, hemming towels and pillow cases. Several gentlemen were also present who testified their appreciation of the work being done by the league. A noticeable feature of all the meetings is the good behavior of the little children who attend. Mr. McKenzie entertained with several delightful selections from the Victrola. The meeting closed with reading of scripture by Rev. Mr. Shore, earnest prayer by Rev. Mr. Kennedy, then all singing heartily the National Anthem. Cash donated \$27.00. The bale packed for the Red Cross Society contained 4 mattress covers, 10 grey flannel shirts, 12 pillow cases, 3 pillows, 8 towels.

On Thursday of last week the home of W. R. Thompson, corner of 18 sidewalk and second line north, was destroyed by fire. About one o'clock Mrs. Thompson thought she smelled pine burning and informed the men who were at work at the barn. When returning the fire was noticed on the main part of the house to the east of the kitchen and had evidently been started by a spark from the kitchen

chimney. There was a fierce wind blowing at the time which soon caused the fire to spread and in an exceedingly short time the building was a seething mass of flames. By the timely assistance of people passing by, some of the furniture, bedding and clothing was saved, but nearly all entrance to the upstairs was cut off. There was a small insurance in the Waterloo Mutual on house and contents.

## HARD WORKING WOMEN

Will Find New Strength Through the Use of Dr. Williams' Pink Pills.

It is useless to tell a hard working woman to take life easily and not to worry. Every woman at the head of a home; every girl in offices, shops and factories is subjected to more or less worry. These cannot be avoided. But it is the duty of every woman and every girl to save her strength as much as possible, and to build up her system to meet unusual demands. Her future health depends upon it. To guard against a break-down in health the blood must be kept rich, red and pure. To keep the blood in this condition nothing as equal Dr. Williams' Pink Pills. They strengthen the nerves, restore the appetite, bring the glow of health to pallid cheeks, and renewed energy to listless people. Women cannot always rest when they should, but they can keep up their strength and keep away disease by the occasional use of Dr. Williams' Pink Pills. Mrs. A. Rhodes, Hamilton, Ont., says: "A few years ago on coming to snada, working long hours, and close confinement began to tell upon me. I was completely run down, and finally could do no work. I was pale, suffered on headaches, did not rest well, and it altogether very miserable. The doctor said the trouble was anaemia, and after doctoring for some weeks without getting any relief, I decided to drop the doctor and take Dr. Williams' Pink Pills. Very soon I began to notice a change for the better, and by the time I had used a dozen boxes of the Pills I was again enjoying the best of health. I have never had any return of the sickness and I feel better in my life than I do now, give my experience, therefore, that it is to be used for the benefit of others." You can get Dr. Williams' Pink Pills in any medicine dealer or by mail at a box or six boxes for \$2.50 from Dr. Williams' Medicine Co., Brockville, Ont.

By removing a pane of glass at the back of the store burglars effected an entrance into Noble's grocery, Sarnia, and carried off several bottles of relishes, tobacco and other articles.

His small daughter was industriously sewing her doll clothes when her mother cried. "It's wrong to work on Sunday, you've forgotten the Lord sees you, his isn't work, and if the Lord does me, he knows perfectly well this iron old."—Judge.
