**YOU CANNOT JUDGE BY APPEARANCES**  
 It is impossible to tell the quality of tea by the appearance of the leaf. A rough, coarse, unevenly rolled tea may taste much better in the cup than a closely rolled, well tipped tea that LOOKS much finer. The only way to be sure of getting tea of reliable quality is to buy a tea like "SALADA" whose goodness and purity are guaranteed.

**Every Bad Leg**  
 needs Zam-Buk, whether it result from an old sore or injury, or, as is more often the case, through old-standing varicose weakness. How that powerful herbal Zam-Buk builds-up the weakened tissues and sets things right, is told by Mr. R. S. Reynolds, of Leesburg, Fla., U.S.A.  
 "As the result of inflammation set up by a horse kick," he writes, "terrible sores appeared all over the lower part of my leg. It was a year before the limb took a real turn for the better."  
**Needs**  
 "I started out to try Zam-Buk, quite prepared to persist with the balm if it showed the least sign of doing good.
