

The "Cardross Case" is still before the Scottish Courts, and little progress has been made in it.

Dr. Guthrie is to be the Moderator of the next Free Church General Assembly.

A friend of evangelical effort has taken the Victoria Theatre, London, for a period of three months for morning services.

The U. P. Presbytery of Glasgow is taking an active part in combating the "Social Evil."

The new *Record* of the Canada Presbyterian Church is a very neat publication, of the same size, and much in the same style with our own *Record*. We wish our contemporary "long life and prosperity" as the organ of a large and united Sister Church.

One cannot hear without profound regret the evils that have been brought upon the Churches of the United States by the civil war. The Old School Presbyterian Church has suffered very severely.

The National Bible Society of Scotland now circulates about 100,000 copies of the Scriptures annually. It is engaged in publishing a translation of the New Testament into the Erik language—that spoken by the people of Old Calabar a language into which the Word of God was never before translated.
