**ST. LOUIS HOTEL, ST. LOUIS**  
STREET

This well-known HOUSE, which, during the past winter, has been not only enlarged by an addition of a new wing four stories in height, and which, otherwise, has been much improved by the completion of a commodious, easily accessible, airy, and well-lighted DINING ROOM, by the introduction of all the modern improvements known in similar first class establishments—Baths, Billiard Rooms, Steam Laundry, &c., and by the complete re-furnishing of the whole building—Public Drawing Rooms, Private Parlours, Bedrooms, Reading Rooms, &c., was re-opened for accommodation of the travelling public on THURSDAY, 6th JUNE, 1865.

The undersigned proprietors have spared neither pains nor expense to make their Hotel in St. Louis Street fully equal to any establishment of the kind in British North America, with a view to obtain a continuance of that support and encouragement which has been so long extended to them in Quebec, and which it has been their care to merit.

KERSHAW &amp; EDWARDS,

ESTABLISHED

YEAR 1838.

**IMPROVED FIRE PROOF SAFE.**

The favor these Safes have won by their many and severe trials during the last quarter of a century, from the fact that not one has ever failed in preserving its contents, thoroughly establishes their reliability, and with recent improvements made during the past two years, we offer them as the most perfect *Fire Proof security extant*, and free from dampness.

Our *Burglar Proof Specie Boxes* made of combined iron and steel in a manner peculiarly our own, the steel so highly tempered and placed as to be beyond the reach of, and defy the tools of the most ingenious burglars, and when placed inside of one of our *Fire Proofs* produce a most perfect *Fire and Burglar Proof security*. Merchants having large amounts of silver on hand should not be without one.

We also manufacture Patent Combination Bank Locks, and the most modern Bank and other securities.
