For Good Purposes Only.

Mrs. M. A. Dauphin, of 1939 Ridge Ave. Philadelphia, is well known to the ladies of that city from the great good she has done by means of Lydia E. Pinkham's Vegetable Compound. She writes Mrs. Pinkham of a recent interesting case. "A young married lady came to me suffering with a severe case of Prolapsus and Ulceration. She commenced taking the Compound and, in two months, was fully restored. In proof of this she soon found herself in an interesting condition. Influenced by foolish friends she attempted to evade the responsibilities of maternity. After ten or twelve days she came to me again, and she was indeed in a most alarming state of distress. I gave her a tablespoonful of the Compound every hour for eight hours until she fell asleep; she awoke much relieved, and evidently better. She continued taking the Compound, and in due season she became the mother of a fine healthy boy. But for the timely use of the medicine she believes her life would have been lost."

For Weak Women.

MRS. LYDIA E. PINKHAM: "About the 1st of September, 1881, my wife was taken with uterine hemorrhage. The best styptics the physician could prescribe did not check it, and she got more and more enfeebled. She was troubled with Prolapsus Uteri, Leucorrhoea, numbness of the limbs, sickness of the stomach and loss of appetite. I purchased a trial bottle of your Vegetable Compound. She said she could discover a salutary effect from the first dose. Now she is comparatively free from the Prolapsus, Stomach's sickness, etc. The hemorrhage is very much better and is less at the regular periods. Her appetite is restored, and her general health and strength are much improved. We feel that we have been wonderfully benefited and our hearts are drawn out in gratitude for the same, and in sympathy for other sufferers, for whose sakes we allow our names to be used." C. W. Eaton, Thurston, N. Y.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND is prepared at Lynn, Mass. Price \$1. Six bottles for \$5. Sold by all druggists. Sent by mail, postage paid, in form of Pills or Lozenges on receipt of price as above. Mrs. Pinkham's "Guide to Health" will be mailed free to any lady sending stamp. Letters confidentially answered.

Puny, sickly, fretful children are very trying to the patience of all who have the care of them, and in the majority of the cases the feebleness arises from a weak and emaciated condition of the body, caused by the drain on the constitution during the period of teething, or the rapid growth of childhood. In such cases give Robinson's Phosphorized Emulsion according to directions, or the advice of your Physician.

Scientific and Useful.

THE fashionable sandwich is made of thin bread and chopped chicken covered all over with thick paste.

TO TEST KEROSENE.—Fill a glass three parts full with the petroleum to be tested, and fill up the glass with boiling water, at the same time holding a flame over it. If the vapour disengaged becomes ignited, the petroleum is not safe.

—Druggists in malarial districts say that Lydia E. Pinkham's Vegetable Compound is as much the remedy for malarial standard weaknesses as quinine is for the prevailing chills and fever.

SUGAR CANDY.—Three cups of sugar, half a cup of water. Boil without stirring until brittle when dropped into water. Just before you take it from the fire add a small spoonful of butter, any flavouring liked, and a-half teaspoonful of saleratus dissolved in a little water. Pour into buttered plates, when cool pull until white.

APPLE SNOWBALL.—Boil one-half pound of rice in milk till nearly cooked; then strain, peel and core some large apples without dividing them. Put a clove and some sugar in the centre of each apple, and the rice around them. Tie each up in a cloth separately, boil for three-quarters of an hour; remove the cloth and place on a warm dish.

A DECIDED HIT. Haygard's Yellow Oil touches the right spot every time when applied for rheumatism, neuralgia, pain, soreness or lameness; and internally for colds, sore throat, etc., it is equally infallible.

LITTLE PUDDINGS.—Two ounces of fine bread crumbs, three tablespoonfuls of any sort of jam, one ounce of sweet almonds blanched and beaten smooth in a mortar, and two well-beaten eggs. Beat all thoroughly together and add one ounce of butter softened to the consistency of cream. Fill buttered cups half-full with the mixture and bake twenty minutes in a slow oven.

BREAKFAST CAKE.—Put a piece of butter the size of an egg into a quart of milk and let them become warm enough to melt the butter. Stir in flour sufficient to make a stiff batter and add two teaspoonfuls of salt. Dissolve one-third of a cake of compressed yeast in a little warm water and mix with the batter. Cover tightly, let it stand in a warm place over night, and fry on a griddle.

A HALF or whole bottle of Murray & Lanman's Florida Water mixed with the water of the bath is of great use to invalids and all delicate or nervous persons, as it revives and braces up the failing strength, and soothes the most irritable nervous system.

PLAIN TEA CAKES.—Two cups of sifted flour, one teaspoonful of melted butter, one egg mixed with a cup of milk, one teaspoonful of soda and one teaspoonful of cream of tartar dissolved in hot water. (Instead of the soda and cream of tartar, one and a-half teaspoonfuls of baking powder sifted with the flour may be used.) Mix well and bake in muffin rings for twenty minutes in a very hot oven.

WAFFLES.—One and a-half pints of flour; one teaspoonful of cream of tartar; half a teaspoonful of soda; two eggs; one pint of milk; two tablespoonfuls of butter. Mix the flour, cream of tartar, and soda well together and then rub through a sieve. Beat until very light, then add to them the milk and the butter, first melting the latter in two tablespoonfuls of water. Stir the mixture into the flour and bake in the usual way.

THE QUESTION OF THE DAY.—"What is good for a cold?" is a question often asked, but seldom satisfactorily answered. We can answer to the satisfaction of all, if they will follow our advice, and try Haygard's Pectoral Balsam, a safe, pleasant and certain throat and lung healer. Sold by all druggists.

THAT the Mason & Hamlin organs stand at the very head of instruments of this class in the whole world will scarcely be doubted by any one. Few among rival makers, even with organs equal to theirs; none to make better organs than those of poorest, lowest priced instruments, but nothing in proportion to their superiority. This company have just commenced the manufacture of improved Upright Pianos, which they claim are entitled by their superiority to rank as high as their organs.—Boston Traveller.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES. In Scrofulous and other Chronic Cases.
