

TIMBER LIMIT TRANSACTIONS.

John Kealy, of Venosta, Ont., has purchased a small timber limit on Rice's Lake.

H. C. and Gilbert Lawrence, of Southampton, N. S., have sold their timber lands, together with mill and lumbering equipment, to Frank Black.

It is reported that Alex. Lumsden, of Ottawa, has just sold to McLachlin Bros., of Annprior, a timber limit on the Kippewa River on which there is a large quantity of standing pine.

Another large deal in Canadian timber is announced. The Danaher & Melendy Company, of Detroit, is said to have acquired 200 square miles of cedar and spruce timber lands in the province of Quebec. The full particulars are not to hand at time of going to press.

The timber limits and mills of the Scotstown Mills Company, in liquidation, was sold by auction at the court house, Sher-

brooke, Que., on December 1st, to Peter Lyall, of Montreal, for the sum of \$81,000. The limits comprise 87 square miles in the townships of Chesham, Emberton, Ditton, and Hampden, and the mills are situated at Scotstown, N. B. It is thought that Mr. Lyall represented the Great North Lumber Company.

The Edmund Hall interests in Canada, comprising extensive timber limits, the mill and salt block at Sarnia, the camp headquarters at Nairn Centre, and the fleet of tugs and dredge plant, have been sold to J. J. McFadden, of Sault Ste. Marie, W. D. Lummis, of Toronto, and W. S. Bell, of Sudbury. The purchase price is said to be in the neighborhood of \$840,000. It is the intention of the new proprietors to improve the saw mill and conduct the business on a more extensive scale than has been done in the past.

The Engel Lumber Company, of Grand Rapids, Mich., advise us that they have purchased the interest of J. H. Speer, of North Adams, Mich., and of the late D. M. Estey of Owosso, of the Engel-Speer

Lumber Company, Grand Rapids, and the business of the same will be continued under the name of the Engel Lumber Company. They have also organized a new partnership concern at Hardgrove consisting of Frank Hardgrove and Dale Forbes, of Hardgrove, and George Engel,

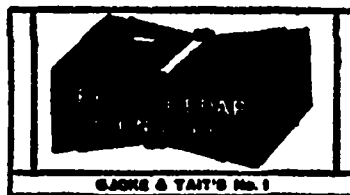

of Grand Rapids, Mich., for the purpose of buying timber and logs and manufacturing the same. The main office of the new concern will be in Grand Rapids and will be known as the Hardgrove Lumber Company, which company is now erecting a new band mill at Hardgrove, Mich.
