

Poetry.

Translated from the German.

THE CROWN OF THORNS.

O SACRED head, now wounded, With grief and shame weighed down, Now scornfully surrounded With thorns, thine only crown; O sacred head what glory, What bliss, till now was thine! Yet, though despoiled and gory, I joy to call Thee mine.

What thou my Lord, hast suffered, Was all for sinner's gain: Mine, mine, was the transgression, But thine the deadly pain. Lo! here I fall my Saviour! 'Tis I deserve thy place; Look on me with thy favour, Vouchsafe to me thy grace.

The joy can ne'er be spoken Above all joys beside, When in thy body broken, I thus with safety hide. My Lord of life, desiring Thy glory now to see, Beside thy cross expiring, I'd breathe my soul to Thee.

What language shall I borrow To thank Thee dearest friend, For this, thy dying sorrow, Thy pity without end! O make me thine for ever, And should I fainting be, Lord let me never never Ouline my love to Thee.

But when I am departing, O part not thou from me, When mortal pangs are darting, Come, Lord, and set me free! And when my heart must languish Amidst the final throes, Release me from my anguish By thine own pain and woe.

Be near when I am dying, O show the cross to me! And for my succor flying, Come, Lord, to set me free. These eyes now faith receiving, From Jesus shall not move, For he who dies beloved, Dies safely, through thy love.

LANGLEY'S ANTIBILIOUS APERIENT PILLS. The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by puffing advertisements—no certificate published respecting them.

These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, and are so gentle (yet effectual) in their operation that they may be taken by persons of both sexes, at any time with perfect safety. Prepared and sold Wholesale and Retail at LANGLEY'S DRUG STORE, Hollis Street, Halifax.

NEVER FAILING REMEDY.

HOLLOWAY'S OINTMENT. A CRIPPLE SETS ASIDE HIS CRUCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1852.

To Professor HOLLOWAY.

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About ten years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly ten years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limbs, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.

MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE, WHEN ALL MEDICAL AID HAD FAILED.

Copy of a letter from Mr. Hird, Draper, of Keady, near Gainsbro', dated 1st. March, 1852.

To PROFESSOR HOLLOWAY.

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was marvellous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS, DEBILITY, AND GENERAL ILL HEALTH.

Copy of a letter from Mr. J. M. Clennell, of Newcastle-on-Tyne, dated September 29th, 1842.

To PROFESSOR HOLLOWAY.

DEAR SIR—I am authorised by Mrs. Gibbon, of 31, Dalley Street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill health, accompanied with a disordered stomach, and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states, that in a wonderfully short time, they effected a perfect cure of her legs, and restored her constitution to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, Dear Sir, yours faithfully,

(Signed) JOHN MORTON GLENNELL.

CERTAIN REMEDY FOR SCORBUTIC HUMOURS AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists Bath.

To PROFESSOR HOLLOWAY.

DEAR SIR,—Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Prestor, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also, has been perfectly cured of an old scorbatic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir,

Your's faithfully

April 6th, 1852. (Signed) WALKER & Co.
