737 ACTHE USE OF FLOWERS. BY MARY HOWITT.

God might have made the earth bring forth Enough for great and small, The oak tree; and the cedar tree; Without a flower at all.

We might have had enough, enough; For every want of ours, For laxury, medicine and toil, And yet have had no flowers.

The ero within the mountain-mine
Requireth none to grow,
Nor doth it need the lotus-flower
To make the river flow.

The clouds might give abundant rain.
The nightly dews might fall.
And the herb that keepeth life in man,
Might yet have drunk them all.

Then wherefore were the flowers all made,
And dyed in rainbow light;
All fashioned with supremest grace,
Upspringing day and night:

Springing in vallers green and low, And on the mountains high, And in the silent wilderness, Where no mun passes by !

One outward life requires them not;—
Then wherefore had they birth?—
To minister delight to man,
And beautify the earth;—

To comfort man-to whisper hope, Whene'er his faith is dim; For who so careth for the flowers, Will much more care for him!

HOLLOWAY'S, OINTMENT. THE GREAT COUNTER IRRITANT!!

MEDICAL REVOLUTION 1

THE virus of disease often makes its way, to the internal organs through the percept of the skin. This penetrating Olutment, melting under the hand as it is reaching the seast of inflammation, promptly and tracking the seast of inflammation, promptly and tracking subdues it, whether located in the kidneys, the lives the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubos that communicate with the skin, as summer rain passes into the fevered carth, diffusing its cool and regenerating influence.

SKIN DISEASES AND GLANDULAR

SKIN DISEASES AND GLANDULAR SWELLINGS

Every species of exterior irritation is quickly reduced by the anti-inflammator action of this Omment. Angry Envertions, such as Salt Hinkum, Environment. Tetter Ringworm, Scald Head, Northe Rash. Scalies (or lich) &c., die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, CORES, AND TUMORS. The effect of this unrivalled external remedy upon Scrofula, and other virnient ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its halang properties afterwards complete are safe as well as permanent.

Wounds, Bruises, Burns, and Scalds.

In cases of the fracture of the bones, injuries caused by steam explosious, Braises, Burns, Scalds, Rhoumatism Suffness of the Jones, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous romedy has been introduced by its Inventor in person into all the leading hostitals of Europe, and no private household should be without it.

DINDENIABLE TESTIMONY.

The Medical Staff of the English and French armies in the Crunea have of cially signed their approval of Holloway's Oletment as the most reliable diessing for sabra cuts, stabs, and gen slot wounds. It is also used by the surgeons of the Allied Navies.

LANGLEY'S ANTIBILIOUS APERIENT. PILLS.

THE great popularity acquired by these Pills during the twelve years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by pulling advertisements—no certificate published concerning them.

by pulling advertisements—no certificate published concerning them.

These Pills are confidently recommended for Bilious complaints or morbid action of the Liver. Dyspepsia, Costiveness, Ireadache, want of Appetite. Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Appetion: They do not contain Calomel or any mineral preparation, are effectual in their operation, vet so gentle that they may be taken at any time with perfect safety, by persons of both sexes, nor do they as to most other Pills, necessitate the constant use of Purgaine medicines, the Ingredients of which they are composed effectually obviating this common difficulty.
