THE SOCIETY'S AGENT IN BRITAIN.

Our truly laborious and self-denying friend, Mr. J. EDWARDS, of Clarence, U. C., is rendering most important service to the cause, by his appeals to the churches in the mother-country. Though he has met with very great difficulties, and suffered long and severe illness, yet he has been enabled to excite much interest in behalf of Canada, and to procure considerable pecuniary aid. As fruits of his generous toil, (for he gives his time and labour without charge,) upwards of £150 Sterling have already been transmitted to this country. He has also succeeded in forming several Auxiliary Societies, which are likely to be of much service, especially the one formed in Edinburgh, which has already sent out £50, with the promise of more in future. Our aged brother is at present labouring in Scotland, where he appears to gain much of our brethren's attention and favour. It is his purpose again to visit different parts of England, for the furtherance of his object; and then to return in the spring to this land of his adoption, for whose spiritual good he has toiled with all the energy and affection of a father.

But while we acknowledge the benefactions of our British fellow-Christians, we must faithfully and affectionately remind the friends

of the cause in this land, that they must do their best to help themselves; for in proportion for the cause, by contributing for its support, will they secure the sympathy and liberality of the churches in the fatherland. Canadian Baptists! let the bounty of your brethren provoke you to love and to good works.

A DEVISER OF LIBERAL THINGS.

It is with no ordinary pleasure we record the munificence of JOSEPH GURNEY, Esq., of London, who, in addition to a large annual subscription, has sent out books and tracts, worth more than £50 Sterling, as presents to the Theological Institution, to students, and to ministers. And the bounty of this ardent well-wisher to Canada is more worthy of admiration, since he possesses no personal interest in the country, nor in any way derives pecuniary advantage from it. Alas! how rare are such men!

A MISSIONARY VISIT TO GOD-MANCHESTER.

BY MR. A. GILLIES, STUDENT.

As it regards evangelical preaching, this section of Lower Canada may be said to be destitute. I do not mean by this, that those who occasionally visit the people are not evangelical, but that their visits are so rare, that it may in truth be said of them, they are a people destitute of the preached gospel. The Rev. Mr. Dobie, of Huntingdon, has preached to them a few times the past year. I am not certain that there have been any others who have favoured this people with their stated or occasional visits, in the capacity of preachers. I had the pleasure of spending the second Sabbath in July with them; and although I did not arrive until Saturday evening, we had a crowded meeting on the Sabbath, of attentive and interesting hearers. There is, at present, a very flourishing and interesting Sabbath School
