I take pleasure in drawing the attention of all printers to my splendid composition for the manufacture of inking rollers; it is pronounced by all who have already used it as superior to any other now in use, and invaluable to all printers who have been sufferers by spurious compositions. It is specially adapted to job work on account of its durability.

Manufactured by J. T. BESSERER,  
98 and 100 St. Paul street,  
QUEBEC.
