## SCOTT'S EMULSION.

Always Sweet, Always in Full Strength, Always Ready for Use.

No one knows quite so well as the physician how much depends upon these conditions in Cod Liver Oil. The superiority of Scott's Emulsion is not limited to taste, digestibility, ease of assimilation—tests, under the widest possible range of climatic influence, have shown that no other preparation of cod liver oil is so *permanent*—so *trustworthy*. The perfect incorporation of hypophosphites with glycerine, gives this preparation a wider range of usefulness than had from plain oil.

FORMULA: 50% of finest Norwegian Cod Liver Oil; 6 grs. Hypophosphite of Lime; 3 grs. Hypophosphite of Soda to the fluid oz.

SAMPLE of Scott's Emulsion delivered free to the address of any physician in regular practice.

Prepared by SCOTT & BOWNE, Chemists

Scott & Bowne Building, New York.
