MESSRS. R. L. POLK & CO.

DEAR SIRs.--Your "Medical and Surgical Directory" we find almost invaluable. It should be in the hands of every physician in active practice, especially in the hands of physicians who are much called in consultation or who have extensive professional correspondence. I have been surprised to find so few errors and omissions. I write now to ask whether you have received sufficient encouragement from the sale of the book to justify you in publishing corrected editions each year. . . . Yours respectfully,

AUSTIN FLINT, M.D.,
Secretary of Faculty, Bellevue Hospital
Medical College.

We have hundreds of similar letters from leading physicians of the United States.
