

Indigestion

It isn't always the stomach's fault that food is not digested. Torpid liver brings Constipation. Bile gets in the stomach. The kidneys become affected. The whole process of digestion is weakened. No wonder you feel so uncomfortable after eating.

Fruit-atives

or Fruit Liver Tablets

make digestion complete by making the liver strong and active. They cause more bile to be excreted, thus effectively curing Constipation. They tone up the stomach, regulate the kidneys, build up the whole system. Made from pure fruit juices, their medicinal action is intensified by a secret process of combining them.

In tablet form, 50 cents a box.

At all druggists.
