

receipts are small and scarcely average more than ten loads a day.

PAINTS AND OILS—Business is quiet and prices not yet arranged for the year's markets. Travelers are yet in the city and will not leave for a week or ten days. Spirits turpentine advanced to 42c., but at this point remain stationary, and advices from the south do not indicate any immediate renewal of strength. Stocks of window glass are arriving, and orders are being placed; prices are firm. In other lines no changes are reported.

PROVISIONS—The receipts of butter continue to be confined, principally, to large rolls, and supplies have lately been in excess of the trade's requirements. Choice grades of butter remain unchanged in price, but it is very difficult to effect sales of other descriptions at any price. Winter made creamery is easier. Prices are as follows:—Dairy, tubs, medium and low grades, 8 to 12c.; choice, 15 to 16c.; large rolls, 14 to 15½c.; pound prints, 15 to 17c.. Creamery, tubs, 19 to 20c.; pound prints, 21 to 22c. per lb. There has been no special feature in the cheese market this week. Several enquiries for export have been received, but buyers and sellers are apart in their views. Offers are made at 8½ to 8¾c., and holders are bidding ¾c. more. Receipts of dressed hogs have been very large this last several days. The weights are running very heavy, which may be taken as an indication that farmers are holding back their hogs in hopes of better prices later in the season. Dealers are paying \$5 per cwt. No change has taken place in products; trade is very quiet and the consumptive demand exceedingly limited. Trade in dried apples is slow in movement, although offerings are fairly large; dealers quote 4½ to 4¾c. Evaporated apples are quoted 6c. delivered here. A better feeling exists in eggs, but the demand is scarcely strong enough to warrant an increase of prices.
