## Who Takes the Chances?

Who runs the risk when the breadwinner neglects to secure protection of Life Insurance for those dependent upon him?

Not himself surely, but those for whom it is his duty to provide run the risk of his untimely death.

Whatever chances a man may rightly take for himself, there can be no excuse for subjecting others to a risk against which they cannot guard.

THE Great-West Life Policies offer all that can be desired in Life Insurance; low rates, high profit returns, and the safeguard of careful, conservative management.
