## PETITIONS

### ROYAL CANADIAN MOUNTED POLICE

**Mr. Nelson A. Riis (Kamloops):** Madam Speaker, it is an honour to present a petition on behalf of a number of constituents from Kamloops, British Columbia who are concerned with what seems to be the increasing level of lawlessness in Canadian communities and are simply making a case for more support for the Royal Canadian Mounted Police.

### NORTH THOMPSON RIVER

**Mr. Nelson A. Riis (Kamloops):** Madam Speaker, on another topic, again on behalf of residents of a number of interior British Columbia communities, the petitioners point out their very serious concern for the announced intention of a British Columbia company working with a California company to dam the North Thompson River at Valemount, B.C. in an effort to divert water to sell in San Diego, California.

The petitioners are obviously, and I support them enthusiastically, asking the Canadian government to state that it will not permit the transfer of our freshwater rivers into the United States.

## IMMIGRATION

**Mr. Mac Harb (Ottawa Centre):** Madam Speaker, it gives me great honour to introduce today in the House a petition signed by many of my constituents who are calling on the government to step up its effort in dealing with refugee cases in exercising compassion.

Many of these refugees and their families are suffering from personal and economic hardships. Their futures are undecided as they await the slow refugee processing.

I submit this petition as the first of a series of many petitions to be submitted in this House later on.
