Dear Mr. Burland,

Let me acknowledge your letter of the 13th of October in which you advise that you will hold your Annual Meeting on Thursday, October 26th and will make arrangements for Dean MacKay to speak to you. The Dean was asking me this morning whether this was a luncheon meeting or an evening meeting. I presume it is an evening dinner meeting, but I think it will be best if you will please communicate with Dean Mackay at once and give him all the information he needs.

Yours faithfully,

Principal
