We are, of course, looking forward to having you speak before the McGill Canadian Club on Wednesday, December 17th. The best time would be 5 p.m. The address is arranged for Stratheona Hall situated on Sherbrooke Street, opposite the College gates.

I shall be glad if you can stay over the evening, as I would like to have a few friends to meet you at dinner.

With best wishes,

I remain,

Yours very sincerely,

Acting Principal.
