INSTITUTE OF PARASITOLOGY

McGILL UNIVERSITY
MONTREAL

POSTAL ADDRESS:
MACDONALD COLLEGE P.O.,
QUE., CANADA.

Twentyfourth
April
1933

Sir Arthur W. Currie,
Principal,
McGill University,
MONTREAL.

Dear Sir Arthur:

I enclose, as requested, a copy of a letter and memorandum on our proposed parasitological survey of the mammals of the Hudson Bay - Labrador area. As you will see, much of its success will depend on General MacBrien's sympathetic cooperation.

Yours sincerely,

Thomas W. Cameron
