THE CHINESE LABOUR MARKET

BY [Faint Name]

PROLOGUE

The Chinese labour market is a vast and complex one, covering a large area of the world's population. It is a market that has been shaped by centuries of tradition and custom, and it is one that is constantly changing and evolving. The purpose of this book is to provide a comprehensive and up-to-date account of the Chinese labour market, and to show how it has changed over time.
