Philadelphia and District Suffer Severely-Factories Wrecked, Buildings Unroofed and Cupola of Church Blown Off-Storm Put Pennsylvania Line From New York Completely Out of Business.

PHILADELPHIA, March 27 .- A severe electrical storm accompanied by a high wind, which at times blew with cyclonic force, swept over the northern section of this city shortly after 6 6 o'clock to-night, leaving destruction and death in its wake,

Buildings were demolished, houses unroofed, and the New York division of the Pennsylvania Railway was placed out of commission temporarily by the demolition of its tower at Holmesburg, cutting off al Itelegraphic communication. New York trains are be ing routed via the Trenton cut-off, which branch of the Pennsylvania. Company was not in the path of the high winds.
Tacony, the section where the great-

est damage occurred, was completely cut off from the rest of the city. Telegraph, tlephone and trolley wires were blown to the ground, and it was hours before the details of the catastrophe reached the central section of the city, where the storm did not appear, The where the storm did not appear, The police station at Tacony was demolished. The evening squad of policemen were preparing to leave for their beats when the roof of the building was blown off and very window broken by sudden burst of wind. At the Tacony station of the Pennsylvania Railway an unidentified man was killed when a portion of the structure was blown away. Many houses in this sec-

Several Factories Destroyed. In the manufacturing section of Ken-sington in the northwest, toward Tacony, several factories were destroyed, trolley wires were blown down and roofs of houses hurled to the centre of the streets. A corner section of the three-storey brick factory of John Blood & Bros., manufacturers of woolens, at Trenton and Allegheny-avenues, more than 100 feet in width, was torn away, wrecking much valuable machinery. Three hundred and fifty men who were employed here, it is What said, will be out of work for at least two weeks. The factory of the Enter-prise Cooperage Co., nearby, was struck by lightning, but the flames were extinguished before much dem-

age had been done.

In the fashionable section of Germantown, the storm also caused ha voc. The cupola of St Michael's Church, at High and Boyton-streets, was blown off. Jones Hall, at German town-avenue and Sharpnack-street, also lost its roof, as did the factory of the American Metal Co., at Herman street and Germantown-avenue. Tele-

hour no lives had been reported lost So completely was the Pennsylvania Railroad's line to New York tied up that no trains were sent over the New York division from this city and no tickets to Philadelphia were obtainable at the New York end of the line.

Havoc Widespread.
PITTSBURG, March 27.—A windstorm thruout Northeastern Ohio, a portion of West Virginia and Western Pennsylvania late to-day, caused at least one fatality, injured a number of persons and resulted in heavy fi-nancial loss. At Girard, Ohio, an unknown man was killed by falling wires Steubenville, Ohio, was struck by the The roof was blown off the county infirmary and the walls of several other buildings were blown down.

In this city the wind reached a veof 52 miles an hour. Many wires, billboards and plate glass windows suffered. In the country districts wind played havoc with barns and
