

AT THE THEATRES

Setting on "Bunty's" Business. It is surprising the interest that is being taken among all classes of people in the approaching return visit of "Bunty Pulls the Strings" at the Alexandra Theatre.

"The Fortune Hunter." The tinsel and glare of "girl shows" in which field Miss Josephine Cohan achieved her early success, has at last palled upon her.

"THE CONCERT." David Belasco will present "The Concert," a comedy from the German Theatre in three acts, at the Princess Theatre the last half of next week, beginning April 11, with a matinee on Saturday.

American Managers Sell For London. A. L. Erlanger and Charles Frohman sell for London from New York tomorrow on the East Coast steamer ship Mauretania, to superintend the staging of "Pen-Hur" at the Drury Lane Theatre.

"The Honeymoon Girls." Al Rich offers the big musical success "The Honeymoon Girls" with the Otto Bros. and Miss Alice Lazar.

Bohemian Burlesquers. As an added attraction with Tom Miner's "Bohemian Burlesquers" at the Star Theatre next week, April 8, the management has engaged at the enormous salary of \$1000 per week "Charmion," the most perfectly formed woman in the world to-day.

Toronto Symphony Orchestra. Those desirous of hearing the last Symphony concert of the season on April 10th next, are reminded that the public sale of tickets opens at Massey Hall and the Bell Piano office in the morning. This concert will undoubtedly eclipse all former achievements of our popular local organization.

"Mrs. Wiggs of the Cabbage Patch." The quaintest, most original and most successful musical play, "Mrs. Wiggs of the Cabbage Patch," returns from a record tour, to the Grand Theatre on Monday, April 8, at 8 o'clock.

Popular Concert, Massey Hall. At the popular Good Friday concert in Massey Hall to-night, there will be presented the following splendid program: Coronation Music, "Hymn of Hope and Glory," 4th Highlanders Band; song, "The Song of the Angels Sing," Mr. Harold Jarvis; recitation, "A Vessel," the "Country," Jessie Alexander; song, "The Sky Boat Song," Miss Barbara Foster; solo on the great cathedral chimes, "Bells of Westminster," (4th Highlanders Band); song, "The Palms," Mr. Harold Jarvis; recitation, "The Song in the Market Place," (with song accompaniment by Mr. Harold Jarvis); Alexander; song, "The Old Country," (by special request), Miss Barbara Foster, musical song, "The Bay of Biscay," (with band accompaniment, first time in Toronto), Mr. Harold Jarvis; humorous sketch, "Friday-Baragan Day," Jessie Alexander; songs, "Night of Stars," Miss Barbara Foster; Grand National Fantasia, "A Soldier's Life," introducing the 4th Highlanders Band. Those who have not already secured their seats, should do so to-day at Massey Hall, so as to prevent crowding at the box office to-night.

Mme. Adelaide Norwood Coming. Manager Shea offers an extraordinary bill at Shea's Theatre next week headed by the famous Mme. Adelaide Norwood, the American prima donna. Mme. Norwood sang the principal roles of the following French operas: "La Tosca," "La Boheme" and "Mme. Butterfly." Mme. Norwood is enthusiastic over her short engagement in vaudeville and she has been popular wherever she has appeared.

Tetrazzini's "Ritorno Vincitor." When Madame Tetrazzini sang in San Francisco a few days ago, she was hailed as the greatest singer of the world. She is always doing incomprehensible things, has grown in her art. She is now a dramatic as well as a coloratura soprano, and she sings "Aida" as wonderfully as she sings "Lucia." She has added a touch of tragedy to her tones, and "Ritorno Vincitor" was sung last night as if, you have never heard it sung before. The natural spirit which she breathes into her songs for a top towering note at the end, and was accompanied there was a fervor and gravity in the singer's interpretation that has not, I think been heard elsewhere. Her singing is really a masterpiece in the Verdi number and one wondered how it happened that this "Aida," which has been heard in London, was not introduced by Premier Aquith in the house of commons on April 4, will, according to an evening paper, whose statement is based on the authority of an unnamed Nationalist member of parliament, provide for an Irish parliament consisting of two houses which will sit in Dublin.

Miss Kathleen Parlow. The New York Evening Sun has the following to say of Miss Kathleen Parlow, the great Canadian violinist, who will be at Massey Hall on Friday evening, April 12.

"Festival of the Lilies." This popular annual entertainment—the "Festival of the Lilies," will be given in Massey Music Hall, commencing punctually at 8 o'clock. Patrons are requested to be in their seats before that hour.

Will Be Two Houses In Irish Parliament

LONDON, April 4.—(Can. Press)—The home rule bill which is to be introduced by Premier Aquith in the house of commons on April 4, will, according to an evening paper, whose statement is based on the authority of an unnamed Nationalist member of parliament, provide for an Irish parliament consisting of two houses which will sit in Dublin. Forty representative Irish members will be sent to the house of commons at Westminster. Ireland will make no direct contribution to the Imperial revenue. The customs and excise of Ireland will remain under Imperial control, but the local parliament will have power to vary the duties on articles, altho it may not vary the articles themselves. The taxation of Ireland is to continue to be in consonance with the financial system of the United Kingdom. The old age pensions and land purchase schemes are to remain under Imperial responsibility. The Irish parliament will have no power to impose duties on British goods.

Death Follows The Surgeon's Knife

Surgery is the fad in medical treatment and many doctors still recommend a surgical operation for piles. Too often the results are fatal to patient and even when the operation is a success there is not always a cure. There is a safer way to cure piles, a less risky and less expensive way. You are certain of obtaining relief by using Dr. Chase's Ointment, and if you persist in this treatment you can also be fully cured. It is worth while to try Dr. Chase's Ointment, even if you have been told that an operation is necessary. Many have escaped the knife by using this ointment, others have been cured by its use after operations had failed. Relief from the itching, stinging sensations which make the suffering from piles so hard to bear is obtained almost as soon as Dr. Chase's Ointment is applied.

PAID \$1450 FOR A COW

OTTAWA, April 4.—(Special).—To bring well-to-do middle-class settlers to Canada and to interest British capital in Canadian investments is the plan of a new organization which has been formed in London, known as the Canadian Information and Development Bureau, with head offices in Bristol, and with agencies at London, Glasgow and Liverpool. J. W. Sheffield, the secretary, was in Ottawa to-day and interviewed the prime minister and Sir Wilfrid Laurier on his scheme. The new organization is largely supported by the provincial governments of western Canada and western Canada boards of trade.
