CAUGHT IN THE DERRICK.

The Awful Death of Charles Thompson, a Young Married Man of Orangeville —He Lived Twenty-Four Hours.

Orangeville, July 24.—(Special.)—Chas. Thompson, a young married man who lived in Orangeville, died at his home at noon yesterday as a result of injuries received in a terrible accident the day before. Thompson was an employe of the Owen Sound Stone Company, whose quarries are about a mile from Orangeville. He was standing on a coil of rope, which was attached to a derrick. The workmen on the derrick, never dreaming that Thompson was on the rope, commenced to hoist it. Thompson endeavored to get off the rope and became entangled in it. He was carried up into the air and then fell with terrific force between two large rocks. Fellow-workmen picked him up in a terribly mangled condition, his brains oozing from a horrible gash in the skull. He was carried to his home, where he struggled hard for life for 24 hours.

The Chief Reserves Judgment.

If the Chief decides to refuse the application an appeal can be made, under the new bylaw, to the Police Commissioners.

Must Serve His Term.

Mr. James Gowanlock was at the Police Court yesterday in the interests of James McLaughlin, who was sentenced to 3 months in the Central for chewing Alex Armstrong's car. Mr. Gowanlock put in a plea owing to the prisoner's excellent character, but McLaughlin's cannibalistic tendencies caused the Magistrate to decline to interfere.

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc. These persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Kellog's Dysentery Cordial, a medicine that will give immediate relief, and is a sure cure for all summer complaints.

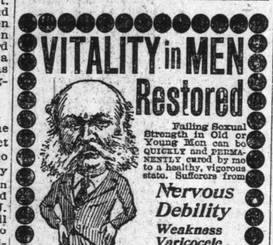
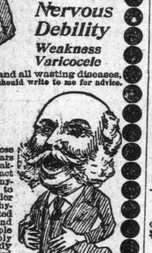
VITALITY in MEN Restored



Failing Sexual Strength or Old or Young Men can be QUICKLY and PERMANENTLY cured by me to a healthy, vigorous state. Sufferers from
Nervous Debility
Weakness
Varicocele
and all wasting diseases, should write to me for advice.



I have been a close student for many years of the subject of weakness in men, the fact is, I was a sufferer myself. Too bashful to seek the aid of older men or reputable physicians, I investigated the subject deeply and discovered a simple but most remarkably successful Remedy that completely cured me, and fully enlarged me from a shrunken, stunted condition to natural size and strength. I want every young or old man to know about it. I take a personal interest in such cases, and no one need hesitate to write me, as all communications are held strictly confidential. I send the recipe of this remedy absolutely free of cost. Do not put it off, but write me fully at once, you will always bless the day you did so. Address,

McIntyre & Wardwell (John J. Dixon) received the following despatch from their branch office in Chicago:

The wheat market opened with an easier feeling, under the influence of the sharp break in New York stock market. Liberal Northwest receipts and improvement in the weather. At the small decline there were good buying orders from outside, and local trade also bought, causing reaction of ½c. A further advance was scored on report of liberal cash business, which finally amounted to 200,000 bush, 40,000 bush of which being No. 2. Spring wheat sold for direct export, 50,000 bush No. 2 red to go to Buffalo, and balance of same grade to local and interior millers at prices ranging from 60¾c to 61c, f.o.b., Liberal clearances also had a stimulating effect but towards the close of the session there were some heavy realizing sales made on account of large local operators, resulting in a decline in New York stock market. The market has pulled out of the rut in which it has been for so long, and with continued reports of unfavorable threshing yield and indisposition on part of country to sell, with positive signs of increasing speculation we believe prices must go higher.

Provisions strong on light receipts, with commission houses buying quite freely. Market weakened later on, selling of pork and ribs by John Cuddy's brokers. Packers sold also at the advance. Market closed steady on decline. Estimated receipts of hogs to-morrow, 8000.

McIntyre & Wardwell send the following despatch to their branch office in Toronto:

The market has been dull this afternoon and without any noteworthy feature. The volume of business has diminished very considerably, and the market seems to have gone back to the hands of traders. The gold deposits by banks in the Treasury here foot up about $17,000,000. Philadelphia banks have agreed to furnish $2,500,000, and those in Chicago $2,000,000, and in both cases are ready to do more if necessary. Foreign exchange has been a shade firmer to-day at between 4.88⅝ and 4.88¾. No gold shipments will be made to-morrow. Government bonds close ¼ to ½ per cent. lower than last night.
