Canadian people now appreciate and look for all public holidays as a day of rest and pleasure, and we are pleased to mention Mr. J. R. Beamish, 9 Richmond-street West, who employs fourteen barbers, as setting the example to others by closing on Good Friday. When the leaders in any line of profession set the example, and, as Mr. Beamish puts it, or said, he is doing more business, why should not smaller ones fall in line? Short hours in this leading shop gives Mr. Beamish the pick of the best barbers in Toronto, and of the profession application of the profession o shop gives Mr. Beamish the pick of the best barbers in Toronto, and al-though only seven years in business. bys twice as many men as any

Life Chips

The hurry-up breakfast is often the hastily prepared, ill-cooked porrige kind, the kind that omens ill for the day's work, or

It may be the Life Chip breakfast, all ready to serve, dainty, crisp and wholesome. Life Chips is good alike for the laborer, the mechanic and the business man. Is easily digested and has the substance. A plate in the morning starts a man on his work fit in brain and body. Thousands of people begin the day with it, and it's the right way. Try it and see the effect. The same as is used daily at the Battle Creek Sanitarium, Michigan. Served with or without cream.

Ontario Ladies' College.

A very interesting debate took place at the Ontario Ladies' College, Whitby, a few weeks ago on the subject: "Resolved that women have accomplished niere good in the world than men." Those on the affirmative side were Misses Nellie Henderson and Nora Hamilton, Toronto; Miss Irene Fnith, Burlington, and Miss Frances Edwards, Iroquois. On the negative were: Miss Hope Hunt, Brantford: Miss Mantle Pritchard, Winnipeg; Miss Emily Duncanson, Toronto, and Miss Kathaleen Gillesple, Picton. Miss Ada Chown of Kingstoa, president of the Literary Society, presided, and his honor Judge McCrimmon of Whitby lindly consented to act as judge. His honor expressed surprise at the able manner in which the subject was handled by the fair debaters, and after a masterly summing up of the arguments on both sides, gave his decision in favor of the negative, conceding to them the greater weight of argument, but to the affimative the most finished style of preparation and delivery.
