It Shows You Where You Vote for the Hospital By-Law To-Morrow

There is one polling place only for each square numbered on the map. The boundary streets only of each square are given and the centre lines of said streets are the boundaries.

Find the square within which you reside, or have property; then look at the list of polling places beneath the map. Opposite to the number corresponding to the number of your square you will find where you vote.

You have a vote in every ward wherein you have property.
