Fairytex Net, Per Yard, \$1.00

OF ESPECIAL INTEREST at this dressmaking time of year are these fascinating silk nets, as the vogue for their use in dresses, etc., is very pronounced. The mere fact that they are of Van Raalte creation speaks for itself and the shimmering softness of the fine mesh, which is practically uncrushable, bespeaks their extreme popularity this season. They can be had in navy, purple, sand, maize, flesh, gold, sky, pink, coral, rubis, Nile, ivory and black. 40 inches wide. Owing to an unusually large order, placed with the manufacturers, we are enabled to offer it at a price hitherto impossible, per yard **1.00**

DAINTY FLOWERED NINON, which is just in, shows pretty designs in a choice of pink, sky, helio and maize on a white ground. 40 inches wide, per yard **1.25**

GEORGETTE CREPE OF GOOD HEAVY QUALITY, can be obtained in a full range of fashionable shades, both light and dark, per yard **1.50**

Amazing Variety in Women's Suits Ranging from \$25.00 to \$35.00

THE MATERIALS are of excellent quality and all are modish —gabardines, serges, wool poplins, shepherds' check and fancy checks and plaids being those most in favor for street wear, with an occasional gay colored velour or smartly cut, light tweed that is now considered so smart for sporting toggery.

ALL THE COATS are lined with soft silk and every suit is distinguished by splendid cut and elegance of tailoring, while the trimmings are perfectly charming. Silk bandings, patent leather belts and collars, soft suede collars and big square collars of bright silk or cloth braid, little hand made ornaments, metal and pearl buckles or buttons, are employed with great effect and give them such distinction that it is easily realized that many of them are samples.

THE SKIRTS are all wide-pleated, flaring or circular, many adorned with yokes, belts or pockets and the coats offer modish choice in blouses, belted, basqued and Norfolk effects, all rippling over the hips and showing many cunning devices—the diagonal cut of panellings and emplacements which give them most unusual grace. Come in the morning if possible, for the values are so good that even a few hours will make a difference in the assortment, besides which selection is always easier early in the day. Prices, \$25.00, \$27.00, \$29.50 and **35.00**

An Immense Collection of Modish Coats, Showing Every Vagary of Fashion

WITH THE SKIRT occupying such a very important place in Fashion's affections, the separate coat plays a more prominent part than it has done for years. And the coats now under discussion are sufficient excuse, if excuse were needed, for La Mode's devotion to their many attractions, for they are fascinating in the extreme and number every possible sort of coat that one could possibly desire, from the swagger little sports coat to the flaring silken manteau de visite, from the utilitarian Burberry to the graceful swirling coat of suede cloth or velours. Specially noteworthy is the unusually large display of street coats in such fabrics as plain and checked velours, the new Poiret twill, gabardines, poplins, covert cloths and serges. Some of these are belted and many flare from the shoulders or from yokes in all sorts of alluring new modes, while the designers have taken advantage of every known device in the cut of raglan sleeves and side panellings to give variety and flare to the skirts. In sports coats in which the smartness and diversity of big rolling or square or cape collars is a notable feature, there are chinchillas, golfines, blanket cloths, rumbo curl cloths and, smartest of all, jersey cloth, and the new corded silky effects. Never have we had a better assortment and prices range from \$8.95, \$10.00, \$12.50, \$15.00 to **58.00**

A Galaxy of Charming Modish Blouses at \$5.00

SUCH DISTINCTIVE DESIGNS, MOST DAINTILY FASHIONED, they exploit the prettiest of trimmings, with all the attention to buttons that the mode of moment demands, and truly their splendid value is among the least of their claims. Illustrating La Mode's fondness for two colors is a pretty crepe de chine blouse in white with wide colored bands inserted, so that it has the appearance of awning stripes. Another in similar plain design, slightly gathered in front to a shoulder yoke, is carried out in white, only the wide collar and turn-back cuffs being adorned with colored bands. Both these are obtainable in white with flesh, rose, coral, maize, and black.

With the new and very becoming pleated back collar is a smart crepe de chine blouse with little tucks down the front to give a becoming fullness.

A most effective Georgette blouse is made in color over a white guipure edged vest which is a combination of the square collar. Sizes 34 to 44. Price **5.00**
