

cases are annually presented to the observation of Students. Fees :
\$8 for six months, \$10 for the year, or \$20 for perpetual ticket.

Operations chiefly on Saturday at 1 P.M.

As the several lecturers are engaged in practice, and reside in Toronto, senior pupils will frequently have the opportunity of witnessing the treatment of accidents and operations in the more private walks of life.

At the University Examination in 1860, seven students of this School obtained Scholarships of the value of \$120 each.

The Gold Medal and four Silver Medals were also carried off by graduating pupils of the Toronto School of Medicine.

In 1861, seven Scholarships, the Gold Medal, and one Silver Medal; and in April, 1862, the three Scholarships, and two Gold Medals, constituting all the honors awarded by the University, were adjudged to students of this School.

Candidates who can appreciate the importance of an honorable Degree in Medicine, will hardly fail to recognize the propriety of graduating at the Toronto University. To gentlemen who equally value a sound Medical Education as the surest pathway to future eminence in the Profession, but who purpose obtaining license from the Medical Board for Upper Canada, the Toronto School of Medicine affords every educational advantage.

The fee for the Courses on General and Descriptive Anatomy, Surgery, Materia Medica, Practice of Medicine, Midwifery, and Institutes of Medicine, \$12 each (on each of these branches not less than 100 lectures will be delivered); Surgical Anatomy, \$4; Chemistry and Botany, \$5 each; Medical Jurisprudence and Demonstration, \$8 each. Registration Fee, \$2. Fees to be paid strictly in advance.

As the several Lectures will commence punctually on the *first* of October, students for the Session are respectfully urged to be then present.
