

WELSHMAN FAILS TO PRESS VOTE OF CONFIDENCE

Liberals Hopeful As Parliamentary Conference Ends

UNITY FAVORED Committee Formed to Convey 'Sense of Meeting' to the Liberal Leader

LONDON, June 4.—There is talk in the air of a possible attempt at reconciling the differences between the Earl of Oxford and Mr. Lloyd George, arising from the recent general strike, and correspondence between the Earl of Oxford and his followers in which Mr. Lloyd George was virtually read out of the Liberal party.

pressed the view that it would be desirable to acquit the Earl with 'the sense of the meeting,' and therefore the adjournment until Tuesday was taken to hear his reply.

NO DEFEAT FOR OXFORD While it is generally conceded that the wartime premier came out on top at the meeting, there is a virtual consensus of opinion on the part of the political correspondents of the morning newspapers, that the gathering neither was nor will be claimed as a defeat for the Earl of Oxford, and that the tenor of the meeting showed a strong desire for reconciliation between the Liberal leader and Mr. Lloyd George and restoration of unity in the party.

MEMBERS TALK Notwithstanding the pledge of secrecy taken by the participants in the meeting, some of the lobby correspondents seem to have learned, or at any rate profess to have learned, a good deal of what happened. Nearly all of them are emphatic on the point that a movement has been started toward reconciliation.
