A. carnival to be held in the Victoria rink: Mr. and Mrs. F. D. Barbour, Mr. and Mrs. George W. Noble and Mr. and Mrs. Ralph Fowler.

**HIS 85TH BIRTHDAY.**  
Fredericton Mail, Saturday: John A. Campbell, ex-M. P., of Kingsclear, is today quietly observing his eighty-fifth birthday at his home. Mr. Campbell was born in Kingsclear, of Scottish parents, on February 18th, 1837, and has resided there all his life. He follows the occupation of a farmer and has always manifested the greatest interest in matters pertaining to agriculture, particularly exhibitions. Thirty years ago he was elected president of Agricultural Society No. 34 of this city, and remained at the head of that organization up to a few years ago, when he retired. Mr. Campbell has long taken a keen interest in public affairs and in 1899 was elected to the Legislature as a supporter of the government led by the late Hon. H. R. Emmerson. He was re-elected in 1903, but at the election of 1909 he was not a candidate. Mr. Campbell despite his advanced age is still actively engaged in farming and is capable of doing a hard day's work.

## DAYLIGHT SAVING AS LAST YEAR

Railway Association Suggests Extension of Dates

Council, However, Says "As You Were"—City Workmen Quit Job on Wages Matter—Harbor Commission Meeting.

The question of daylight saving in St. John during the present year was brought to the attention of the city council at a committee meeting this morning, in a letter from the Railway Association of Canada, asking if the city was planning to adopt the measure this year, when the dates of the saving would be decided and if these dates could be made to coincide with the summer schedules of the railways, starting on the nearest Sunday to May 1 and ending on the nearest Sunday to October 1. The railways were not opposing, approving or criticizing daylight time but wanted their schedules to meet arrangements made by the various localities.

It was the opinion of the commissioners that the opening date suggested was too early and the closing date too late for conditions here. It was decided to acknowledge the letter and inform the association that the city planned to have daylight saving during the same period as last year from the Sunday before May 24 to the Sunday immediately following Labor Day.

The mayor said that it was planned to open the exhibition on Labor Day the same as last year and carry on the daylight system until its close at the end of the same week.

Disarmament Conference.  
The mayor announced that the commissioners had been invited to attend a lecture to be given on Thursday evening at the armory by Lieut-Col. D. Forster, C. M. G., D. S. O., of the general staff of the British army, and one of the delegates to the Washington conference. His subject had to do with the conference and other matters of world politics.

Slight Labor Trouble.  
Commissioner Frink reported that on Friday he had 247 men on his payroll but the number of the public works department had reached about \$1,000 a day. He said that \$28,000 of the appropriation had been expended already, more money had been spent in keeping the streets clear of snow last week than had been expended all last winter. He said that he had given orders to the superintendent that in future all men employed in shoveling snow from the streets should be paid at the rate of \$2.50 a day, and as a result the crew of men at work in the North End refused to continue operations.

Asked regarding a reported cut in the new surface of Douglas avenue, Commissioner Frink said that the opening was in connection with the gas service and the Mack road dug cut too deep. This was a county matter, he said, and would be referred to the proper officials.

The mayor announced that a notice regarding a further meeting in connection with harbor commission had been sent to each of the commissioners and to the organizations interested. The meeting will take place on Wednesday evening and the matter of a new act will be discussed. He announced that Commissioner Bullock was appointed officially to represent the city and bring back a report to the council.

## THIS IS COVEY AFFIDAVIT

Document Which Athletes Must Sign to Retain Their Amateur Standing.

The new affidavit, which must be signed by all athletes wishing to participate in amateur sport, is now in the hands of the printer, and will be out by the end of the week. Commencing on Saturday, February 25, athletes will be given one month to sign. At the expiration of that period all registered athletes will be forbidden to compete with or against any not signing the affidavit and receiving their cards. In order to be eligible to participate in any amateur sport after March 25, athletes must have signed the affidavit.

The affidavit, which was prepared for A. W. Covey, president of the Maritime Branch of the A. U. of C., is as follows:—

To Whom It May Concern: In the county of \_\_\_\_\_, one of the maritime provinces of the Dominion of Canada, do solemnly declare: 1. That previous to the fourth day of August, A. D., 1914, I participated in amateur sport as an amateur athlete, contesting in different games and meets and up to this last mentioned date was an amateur in good standing. 2. That I have since the month of November, A. D., 1919, participated in amateur sport as an amateur athlete, contesting in different games and meets. 3. That since the last mentioned date I have not been professionalized and did not receive any remuneration, directly or indirectly, in money or its equivalent, for my services as an athlete. Neither did I, since the said month in November, 1919, receive anything for my services as an athlete that would be the equivalent of money, anything that was for the purpose of, or could have been converted into cash. In other words my winnings were represented wholly and solely by the medals and trophies given as prizes at said games or meets. 4. Nor have I since the last mentioned date, November, 1919, promoted any athletic meet, sports or entertainment for my personal gain. And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act. Signed, sealed, published and declared at \_\_\_\_\_, in the county of \_\_\_\_\_, in the province of \_\_\_\_\_ of the Dominion of Canada, this \_\_\_\_\_ day of \_\_\_\_\_, A. D. 1922. Before me,

A commissioner for taking affidavits to be read in the supreme court, notary public, or justice of the peace.

**GLENWOOD RANGES**  
AT NEW LOW PRICES  
FURTHER REDUCTIONS in the price of Glenwood Ranges offers a substantial saving to prospective purchasers.  
THE GLENWOOD RANGE was never at any time an expensive stove to buy when measured by the actual saving and comfort it brought to the home.  
GLENWOOD RANGES, owing to their quality, durability and economy, are the best value of any cooking machine on the market today. Because the Glenwood Range is "made in St. John," it means a saving to the purchaser of the cost of crating, which is necessary with all other ranges, the cost of freight, and extra charges. These facts are well worth considering when buying a new range.  
SEE THE GLENWOOD before you buy—it will pay you.
