CONGRATULATIONS TO TWO GOOD CITIZENS ARE NOW IN ORDER

Sir Frederic Barker Has Birthday Today and T. H. Estabrooks Anniversary Tomorrow

Sir Frederic E. Barker chief justice of the Supreme Court of New Brunswick, is receiving congratulations today upon the seventy-fifth anniversary of his birth, this interesting event having occurred on December 27, 1838, in Sheffield, N. B. While Sir John has many citizens of advanced age whose faculties are unimpaired there are few with whom time has dealt so lightly as with the chief justice. Although he has reached that age at which he might retire if he wished, Sir Frederic has shown no desire to throw off the burdens of his responsible office.

His career has been a long and honorable one, and he has attained to one of the highest positions in the gift of the country. After receiving his early education at the Sunbury Grammar school he graduated from the University of New Brunswick with the degree of B.A. in 1866; took his M.A. in 1868; B.C.L. in 1861; was admitted to the bar in the same year; attained the degree of LL.D. in 1896 and was appointed Q.C. in 1898. He represented St. John in the House of Commons from 1888 to 1894; became judge of the Supreme Court of New Brunswick in 1898 and chief justice in 1908.

Mr. Estabrooks. T. H. Estabrooks will celebrate his fifty-second birthday tomorrow. While still a comparatively young man, Mr. Estabrooks has a record which many older men might envy. Starting in life with no capital except a sound education, a large supply of grey matter and an equal supply of energy he has built up a business which now extends from one end of Canada to the other and overflows across the international boundary line. And this was done in St. John before the tide turned and during the days when this city contained almost as many pessimists as citizens. It has been due to the influence of just such men as Mr. Estabrooks that the tide has turned and that St. John now is taking her proper place among the half dozen principal cities of Canada. In spite of his large business interests Mr. Estabrooks has always found time to devote to public movements, philanthropic work and anything else that would be of benefit to the community and its residents. Hearty congratulations to both Sir Frederic and Mr. Estabrooks.

A. L. Fairweather, barrister-at-law, in place of Isabella Yeats. They were sworn in as such. Real estate—\$5,000; personal estate, \$16,100; total \$21,100. J. Roy Campbell K. C., is proctor.

THE STEAMERS

Donaldson Liner Marina sailed from Glasgow for St. John this morning with a good cargo of general freight. The steamer Chignecto, of the Royal Mail Steam Packet Line, from the West Indies for St. John, was sixty miles south of Sable Island at 7:45 o'clock this morning. She is expected here on Sunday night.

The Bradens, the last of the Fickford & Black steamers to come to St. John, is also due here on Sunday.

Cunard Line steamer Ascania arrived in Halifax at 8:45 o'clock last evening. M. S. Virginian, from Liverpool for St. John, was aboard Sable Island last night at ten o'clock. She is due here on Sunday night.

The Norwegian steamer Texas sailed from Loughburg for Newport News yesterday afternoon at four o'clock.

The White Star Liner Canada was aboard Sable Island at five o'clock this morning.

The insurance of steamers owned and operated by the C. P. R. was completed in London last week. Altogether there are about 115 vessels concerned including liners on the Atlantic and Pacific boats engaged on the Great Lakes and the Pacific Coast, barges, car transfers and tugs. With a view of meeting the owners, underwriters agreed to make a concession this year by which the aggregate values were reduced by 8 1/2 per cent. The company took the benefit of the concession for steamers employed in the Atlantic trade. The values of the Empress of Britain and Empress of Ireland have been reduced by \$200,000 each, bringing the new values down to \$280,000 each, and there is a reduction of 10 per cent. in the values of other steamers engaged in the Atlantic trade.

The C. P. R. Empress of Russia arrived at Hong Kong on Thursday between six and eight o'clock in the morning.

The Bray Head, of the Head Line, will leave tomorrow for Dublin with a capacity cargo, including 88,000 bushels of grain, 209 standards of deals and 1,900 tons of flour, besides general freight.

Steamer Manchester Corporation left Halifax today and will arrive in port tomorrow. She will load 186,000 bushels of grain and 300 standards of deals for Manchester direct.

Donaldson Liner Saturnia arrived at Glasgow today from St. John. Allan Liner Sicilia was 205 miles east of Cape Race last night at midnight, bound inward.

The funeral of Mrs. Mary Elizabeth Roberts was held at 2:30 this afternoon from her late residence, 82 Albert street, to Fernhill. The services were conducted by Rev. David Hutchinson.

BROACHED CARGO; ARE SENT TO JAIL

Two Men of Corinthian Get Six and Four Months—Other Police Court Cases

Allan Campbell, aged thirty-nine, and Charles Trainer, aged nineteen, arrested last evening by Detective D. J. Walsh and Policeman Merrick, were brought before Magistrate Ritchie in the police court this morning charged with stealing bottles of liquor from the cargo of the S. S. Corinthian at Long Point. Trainer was sentenced to jail for six months, and Campbell for four months.

Henry O'Leary, arrested in Britain street between eleven and twelve o'clock last night, was brought before the police court this morning and was charged with being drunk, using profane language and resisting Policeman O'Leary. He pleaded not guilty to being drunk, and said the policeman who arrested him had a grudge against him and admitted that he did try to get away from the policeman and swore once or twice being arrested. A wound in his head he finally said had been received in a fight with the watchman of the tug Betty D. He said he had hit him over the head with an iron bolt and that he then went to look for a policeman to have the man arrested. He met Policeman O'Leary; he told his story. Policeman O'Leary said that when the man came up to him he was bleeding profusely and that he was drunk. The policeman advised the man to go home, but this he refused to do, so that he arrested him after some difficulty, and brought him to central station where a doctor was obliged to take three stitches in a wound on one side of the prisoner's head and two stitches in another wound on the other side.

The prisoner said in court that he had only had one drink during the evening. He was sentenced to pay \$48 in all, or take four months in jail. The magistrate also ordered that the jail doctor be sent for immediately to dress the wound again.

John Jackson, a colored man, arrested a few days ago on a warrant charging him with assaulting a girl in Broad street, was brought before the magistrate. The girl who laid the information gave evidence and Jackson was remanded.

Three prisoners charged with drunkenness were remanded. One man charged with being drunk in the I. C. R. depot at noon yesterday was fined \$5 or two months in jail. The magistrate said that any one found drunk either in the depot or around the ferry docks where women and children had to go, would get the full penalty of the law.

He made some very pointed remarks about police who make arrests not appearing in court to give evidence. One man who was arrested last evening on charge of being drunk in King Square pleaded not guilty, and was remanded as the policeman who made the arrest was not present to give evidence.

August Olson, who was arrested by Policeman Scott a few days ago, on charge of assaulting a man in Water street and using profane language was sentenced to an \$8 fine or a month for sweating and \$20 or two months in jail for fighting. Olson said he was only playing with a fellow workman from the Norton Griffiths Company. He was told, however, that it was no way to play.

Any Clothing Store Can Sell a Man a Suit

Only certain stores can dress him. How many of these stores there are, we don't know. We know this is one of them.

Real winter is here, at least by the calendar if not by the weather.

Winter suits of real quality that not only clothe a man but dress him, are here in unlimited variety.

More labor was put into them than into any suits similarly priced.

Some people may think this unnecessary. If you think it is worth while to have things made without adding to their price, you will wear one of the Winter Suits we are ready to show you at \$6.00 to \$30.00.
