To grasp at first thought the varied quality of so vast and original a work is impossible. To consider the most obvious uses which any intelligent reader will make of it is to look ahead for years.

Yet, unless the question of the price to be paid is altogether disregarded, the decision to examine the details of the offer with the idea of becoming a subscriber on the most favorable terms possible must be immediate.

in the announcements that have appeared in this and other magazines and in the daily press throughout the Dominion is to tell the Canadian people exactly what the new edition of the *Encyclopædia Britannica* is, and in describing its distinctive new features, and its improvements upon previous editions, to invite public interest to the successful completion of a vast educational undertaking, a fresh exploration of the whole field of human knowledge and its presentation in an orderly and intelligible manner, not for the use of students merely, but of all readers.

The Cambridge University Press having assumed control of a book which deserves the widest possible distribution, its cheapness was an essential factor of the undertaking. The last completely new edition, the 9th, had been sold at \$7.50 a volume (cloth). To place the new Eleventh Edition, however, within reach of the greatest number of persons could best be accomplished by naming, before publication, the lowest price that was possible without disregarding the question of profits. Subscriptions in advance of publication are usually called for in order that funds thus obtained may be used in producing a book. In the present case no payment is now desired, but early subscribers are, on the contrary, offered a substantial premium in the form of a special temporary concession in price. The Syndics of the University Press are satisfied that, in respect of cheapness, no publication is comparable with the 11th Edition of the *Encyclopædia Britannica* at the "advance" price.

for the New Edition of the Encyclopaedia Britannica are hereby advised that, complete publication of this work having been reached, the concession allowed in return for advance-of-publication subscriptions, but without immediate payments, will be definitely withdrawn from May 31st, when a new schedule of higher prices will have effect, both in this country and in England.

Cash payment means a remittance in full immediately after delivery.

Deferred Cash Payments (4, 8 or 12 months), amounting to but a fraction more than the cash price, can be accepted only if made at the instance of the publisher. The post-dated cheque, by obliging to pay in this manner the subscriber on his side, is a great trouble, since he completes his purchase in a single transaction, although his expenditure is spread over a term of months.
