"Nerves in Bad State Could Not Sleep"

Mrs. H. N. Tardell, Harrowsmith, Ont., writes:
"My nerves were in a very bad state, and for nearly six months I did not know what it was to have a good night's rest. I could not eat, and never felt well. I heard about Dr. Chase's Nerve Food, and thought I would try it. After taking it for a few days I began to feel better, and soon was able to sleep well at night. My appetite also returned, and I felt stronger and better, and after taking three boxes of Dr. Chase's Nerve Food I was quite well. I have also given the Nerve Food to my little girl, with good results."

Genuine BAYER

ASPIRIN

SAY "BAYER ASPIRIN" and INSIST!

Unless you see the "Bayer Cross" on tablets you are not getting the genuine Bayer Aspirin proved safe by millions and prescribed by physicians for 24 years.

Safe

Accept only "Bayer" package which contains proven directions. Eight "Bayer" boxes of 12 tablets. Also bottles of 24 and 100—Druggists.
Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocarbonylchloride of Salicylic acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

Well Known Hospital Physician Says These Are Some of the Danger Signals of Exhausted Nerve Force—What to Do.

One of the most terrible of all human ailments is exhausted nerve force. It weakens all the vital organs of the body and as a result all kinds of alarming symptoms may appear. Some people get nervous indigestion, pains over the eyes, in the heart, and across the small of the back; in others the first symptoms are mental instead of physical—sleeplessness, worry over trifles, or inability to concentrate on your work.

The nervous mother is upset by her children, squabbles with her husband, and bursts into tears over the smallest troubles. In such cases it is worse than useless to waste time taking stimulating medicines or narcotic drugs; the starving nerve cells must have nerve food which is supplied by the blood.

Any physician will tell you that if the blood supply were cut off from any nerve in your body that the nerve would die.

HEAR REQUESTS FOR EQUIPMENT

Hospital Board Asked to Investigate Feeding of Diabetic Patients.

Two requests for additional equipment were presented by the medical staff of the General Public Hospital at yesterday's meeting of the Board of Commissioners. They will be given consideration. A suggestion that a new system of filing records be established was rejected. It was said the standardization inspection doctor had criticized the records as furnishing scanty information.

The medical staff also asked for an investigation of the handling of diabetic patients who, it was reported, received from unauthorized sources food other than their diet called for. It was suggested that separate accommodation be given these patients, but the meeting was of the opinion that there was no such accommodation available.

Superintendent's Report

The report of the superintendent showed a daily average of 147 patients and 844 cases under treatment, 143 remaining at the end of the month; with 70 operations in the operating room and 102 operations and 803 treatments in the out-patients' department.

The financial statement showed receipts, \$15,452.55, including city charitable, \$7,141.70; X-ray, \$1,061, and pay patients \$4,186.57. There was a balance of \$6,761.05. Accounts paid totaled \$2,520.83.

Nursing Superintendent's Report

Miss Murdoch, superintendent of nurses enrolled, eight graduates, 18 senior, 15 intermediates, 18 juniors and eight probationers, placed as follows: 35 on day duty, eight on night duty; five in the epidemic hospital; five in Montreal, two at the County hospital and four on sick leave. During the month Miss Allie Lake and Mrs. Margaret Miles, graduated; Miss Anna Pitman replaced Miss Vera Brown, resigned. Miss Helen Merritt, the first nurse to complete the course at the County Hospital, brought back a good report.

A committee was appointed to draft a resolution of condolence to be sent to members of the family of the late Dr. J. A. McCarthy.

The application of second year medical students, Oswald Macdonald and Charles H. O'Regan, for hospital privileges was to be replied to with information that there were no privileges to grant but the students would be welcomed as visitors.

Bills for April amounting to \$10,375.44 were ordered paid as money was available. Bills for May, amounting to \$12,882.81.

Month's Expenses

The household that contemplates the monthly food bills with solemn thoughts may well congratulate himself that he does not have to pay the food bills of the General Public Hospital. The itemized statement of expenditures for food during May was submitted at yesterday's meeting of the Board of Commissioners and showed the following purchases and costs:

Bread, \$146.70; butter, \$411.60; beef,

THE SHADOW OF 65

Statistics show that four out of five men are dependent upon others at the age of 65. Those who protect themselves with insurance escape the dread of this dependence. Insurance is easy to obtain if your health is good. The Maritime Life, a home company promoting home prosperity, offers policies at low non-par rates to fit your case. For instance, if you are forty, you can get an endowment policy for \$1,000 maturing when you are 65 for an annual premium of \$38.18. All other premiums proportionately low. Send the coupon.
