

and are much discouraged in consequence of the withdrawal of the service by Dr. Hodgkin. I have not visited the Missions of Paisley and Southampton since winter, nor have I visited the Kinloss region at all. Until some provision is made for the travelling expenses of Rural Deans, the duty of visiting the Deaneries will not be properly attended to. In the Walkerton Mission, I am endeavouring to attend to four stations with the assistance of two Lay readers. There has been no report sent in from Paisley.
