

Prosecutor: Closing address.

The prosecution has brought forth evidence to prove beyond any doubt that the accused had no right to be driving the vehicle in which he was found. It has also proved ~~that~~ by reliable witnesses that the accused did strike the provost sergeant and that he did use abusive and insubordinate language to the provost sgt and the cpl. when they were attempting to execute their rightful duty. There can be no doubt as to ~~the~~ accused's identity as he was handed over to ~~the~~ <sup>his</sup> ~~accused~~ c.s.m. by the provost sgt and he has been held in close custody since that time.
